American Bowling Congress

ABC

1985-86 Annual Report

ANNUAL REPORT

Fiscal Year Ended July 31, 1986
Our 91st Year

CONTENTS

1. Review of the Season
3. Summary of Convention
12. Membership Report
13. Awards Report
14. Financial Report
17. Convention Delegates
20. Summary, ABC Dues-Fees
36. Membership/Lane Certification

About the Cover ...

The 1986 ABC Tournament was a record breaker in many ways. With Las Vegas as host, 10,019 teams competed at the Cashman Field Center Complex for a $2.1 million prize fund over 134 days — records ABC members should be proud of.

Board of Directors, 1985-86

EXECUTIVE OFFICERS

President
Paul O. Mohn ..... Silver Spring, Md.
Vice Presidents
Joseph T. Dahl ..... Portland, Ore.
Edward W. Sweeney ..... St. Louis, Mo.
Eugene E. Adams ..... Cincinnati, Ohio
Max D. Skelton ..... Ada, Okla.
Boyd M. Pexton ..... Salt Lake City, Utah
Henry J. Lapinski ..... Philadelphia, Pa.
Thomas W. McKay ..... Warren, Mich.
Ted F. Melonis ..... Omaha, Neb.
Lawrence Schafer ..... Macon, Ga.
Blase P. (Ben) Palumbo ..... Buffalo, N.Y.

ADMINISTRATIVE OFFICERS

Executive Secretary-Treasurer
Roger H. Tessman ..... Greendale, Wis.
Assistant Executive Secretary-Treasurer
Burton W. Kellermann .... Greendale, Wis.

SECRETARY EMERITUS

Frank K. Baker ..... Brookfield, Wis.

DIRECTORS

William J. Bacon ..... Lubbock, Texas
George E. Barnes ..... Norton, Ohio
James D. Beckett ..... Yakima, Wash.
Jerry L. Beltz ..... Anchorage, Alaska
James B. Bevins, Jr. ..... Knoxville, Tenn.
John G. Birdwell ..... Fort Wayne, Ind.
Paul D. Boller ..... Miami, Fla.
Chris Brugnola ..... Jersey City, N.J.
John E. Bulger ..... Steilacoom, Wash.
Verrill F. Burgin ..... Toledo, Ohio
William G. Chestnut ..... Springfield, Ill.
Robert F. Cottrill ..... Bloomfield, N.J.
Thomas F. DeChalus ..... Deer Park, N.Y.
Walter E. DeLozier ..... Wichita, Kan.
Kevin Dornberger* ..... Sioux Falls, S.D.
Joseph F. Ferguson ..... Brooklyn, N.Y.
Richard W. Finke ..... Minneapolis, Minn.
Edwin W. Fisher ..... Houston, Texas
Robert W. Girts ..... Poland, Ohio
William H. Hall, Sr. ..... Chicago, Ill.
Robert M. Halleen* ..... Peoria, Ill.

President Mohn

Pedro R. Hernandez ..... Billings, Mont.
Joe Connell Higgins ..... Arlington, Texas
James R. Hilliker ..... Woodland, Calif.
Robert A. Hollencamp* ..... Dayton, Ohio
Charles D. Howell ..... Idaho Falls, Idaho
Harold L. Jacoby ..... Northglenn, Colo.
Theodore M. Jaskie ..... Brown Deer, Wis.
Marvin C. Kettelhut* ..... Palm Bay, Fla.
Wesley G. Kidwell ..... Indianapolis, Ind.
Eugene H. Kline ..... Midland, Mich.
Kenneth F. Knapp ..... Los Angeles, Calif.
Dr. Edward F. Leone* .... Milwaukee, Wis.
Burle M. Lewis ..... Hummelstown, Pa.
James T. Lusk ..... Jamestown, N.D.
Duncan G. Macpherson ..... Albany, N.Y.
Thomas K. Mahaulu ..... Hilo, Hawaii
Richard D. Merrill* ..... Hudson, N.H.
John R. Nevada ..... Rochester, N.Y.
Francis B. O'Malley* ..... Burke, Va.
Jack A. Otero ..... Santa Barbara, Calif.
Joseph Paussa, Jr. ..... Syracuse, N.Y.
Walter R. Payment ..... Greenville, S.C.
H. L. (Buzz) Prettyman* ... El Cajon, Calif.
G. Walton Roberson ..... Tucson, Ariz.
Stephan Robutka .... East Hartford, Conn.
Michael G. Shenesky ..... Zelienople, Pa.
John Sieren* ..... Ft. Worth, Texas
Maurice E. Smith ..... Chicago, Ill.
Tom Stoma, Jr. ..... Lafayette, La.
Carroll L. Stonehouse .Grand Rapids, Mich.
Kenneth R. Taylor ..... Plano, Texas
Jack F. Templin ..... Kettering, Ohio
Gerald F. Tessman ..... Maplewood, Minn.
Bruce J. Therminy ..... Bradford, Pa.
Marvin H. Townsend .... Kansas City, Mo.
Robert P. Turner ... Scarborough, Canada
William E. Vitense ..... Monona, Wis.
Glenn E. Weaver ..... Sunnyvale, Calif.
Max Weinstein ..... Louisville, Ky.
Dirk Wheat ..... Waterloo, Iowa
Richard N. White ..... Jackson, Mich.
Calvin C. Whitmore ..... Moline, Ill.
Michael J. Williams ..... Negaunee, Mich.
Robert D. Wissmuller .... Dearborn, Mich.
Richard A. Yoakum ..... Columbus, Ohio
George Zeidell ..... San Diego, Calif.
*Directors-at-Large — Nonjurisdictional

HONORARY MEMBERS

Clarence P. Andersen ..... Dover, N.H.
William W. Franklin . Marina Del Ray, Calif.
Clifford R. Munson ..... Miami, Fla.
Robert B. Nelson ..... Seattle, Wash.
James J. Sullivan ..... Evanston, Ill.

PAST PRESIDENTS— LIFE MEMBERS

(In Order of Seniority)

John O. Martino ..... Solvay, N.Y.
Dr. Joel G. Bernhard ..... Columbus, Ohio
Harry G. Sherwood . Santa Barbara, Calif.
Gilbert L. Adamowski .... Port Richey, Fla.
Conn O. Wilson ..... Chandler, Texas
George W. Kampfen .. Bethel Island, Calif.
Rex J. Brown ..... Birmingham, Ala.
Joseph A. Robelotto ..... Albany, N.Y.
Maurice J. Hayes ..... Rochester, N.Y.
Lowell E. Rothschild ..... Tucson, Ariz.
C. Dayle Vannoy ..... Lubbock, Texas
Charles J. Roesch ..... Buffalo, N.D.
Raymond V. Arnold ..... Jackson, Mich.
Jack C. Moore ..... Champaign, Ill.
Julian O. Johnson ..... New Orleans, La.
H. Wesley Bogle ..... Kendall Park, N.J.
William D. DeHaven ..... Kettering, Ohio

The Season in Review

Perhaps the best way to describe the American Bowling Congress' 1985-86 season was that it revolved around people.

There was Louisville's Larry Jones, the guy who was just happy to be in Bogota, Columbia for the Federation Internationale des Quilleurs American Zone Tournament after the withdrawal of Barry Asher. Jones went on to capture two gold medals and one silver to lead the United States team.

There was Earl Anthony, bowling's Mr. Everything, being inducted into the ABC Hall of Fame along with George Howard and Lou Bellisimo.

There was Joe Norris knocking down his 100,000th pin in his 57th ABC National Championships.

And there were Paul Mohn and Joe Dahl, the outgoing and incoming presidents of the ABC, the largest male sports membership organization in the world. Both made their marks on the sport and the organization.

These were only some of the people who helped keep bowling in the limelight during the past season. The following is a capsule look at many of the people and events that made the 1985-86 season a memorable one for ABC members.

The glow of the gold brightened the faces of the U.S. Team at the FIQ American Zone championships. The U.S. won the team title with (back, from left) Dan Nadeau, Jeff Richgels, Scott Thomsen, coach Bob Mills, (front, from left) Larry Jones, Jack Jurek and Todd Savoy.

AUGUST 1985

The U.S. led the way with three championships in the 23rd annual Lee Evans Tournament of the Americas in Miami. In addition to a team all events crown, Nick DiBlatto of Cleveland captured the men's singles title while Glenn Harbison of Pittsburgh and Cindy Creech of West Palm Beach, Fla. took the mixed doubles.

The United Bowling Club, a New York City group organized 10 years prior to the founding of the ABC, was disbanded after a lack of participation at its 1985-86 organizational meeting. Although the club had a league since 1885, it was not always a part of the ABC so it is not listed as the nation's oldest sanctioned league.

SEPTEMBER 1985

John Martino, ABC President in 1947-48 and founder and first president of the Bowling Writers Association of America, died in Syracuse, N.Y. two weeks after suffering a heart attack. He had celebrated his 88th birthday July 8.

Jones joined Todd Savoy of Superior, Wis., Jack Jurek of Tonawanda, N.Y., Jeff Richgels of Madison, Wis. and Dan Nadeau of Las Vegas to take the gold medal in men's five player and teamed with Savoy and Richgels for the gold in men's trios in the FIQ American Zone Championships in Bogota, Columbia. Nadeau and Scott Thomsen of Pullman, Wash. captured the gold in doubles while Nadeau topped the field in all events. Jones won his silver medal in the men's final standings. Jurek, Nadeau and Thomsen earned a silver in trios while Jurek did likewise in all events. U.S. bronze medals were won by Savoy and Jurek in doubles.

The ABC Hall of Fame doors opened wide for three new members as (from left) Earl Anthony, Lou Bellisimo and George Howard joined the cast of the greats of the game.

OCTOBER 1985

Howard, a former member of the powerful Stroh's Beer teams, and Bellisimo, a pioneer in bowling instructional programs, were elected to the ABC Hall of Fame in the veterans and meritorious service sections, respectively, by the ABC Hall of Fame Board.

Jones earned the ABC nomination for the U.S. Olympic Committee's SportsMan of the Year Award.

NOVEMBER 1985

Alfonso Rodriquez of Mexico City and Majorie McEntee of Dublin, Ireland were the winners in the 21st AMF World Cup in Seoul, South Korea. U.S. representatives Thomsen of Washington State University and Michelle Mullen of the University of Illinois finished eighth and 12th, respectively.

The first Local Association Officers

A Masterful performance was turned in by Mark Fahy as he claimed the ABC Bud Light Masters championship.

Training Conference was held at Bowling Headquarters to rave reviews from those in attendance. The LAOTCs are seminars designed to train officers of larger ABC associations and help give them ideas on how to better serve their members.

DECEMBER 1985

Anthony, who has won every major bowling honor since coming on the scene in the early 1970s, earned the diamond of them all by being elected a member of the ABC Hall of Fame. The Dublin, Calif. resident was a near unanimous selection of the 148 media representatives, ABC Hall of Famers and some ABC officials who received the national ballot.

Norb Kirsch, Group Executive-Membership Services, retired after a 25- year association with ABC. Tom New, Tournament Sanctions Manager, was named to replace him.

FEBRUARY 1986

The 83rd ABC Tournament, the first bowling event to feature a prize fund in excess of $2 million, opened its record-breaking 134-day run in Las Vegas. "Joe Bowler" Tom Taschwer of Greendale, Wis. tossed the ceremonial first ball.

Mike Aulby, the first professional to win $200,000 in yearly earnings, was the top votegetter on the 30th BOWLING All-America Team. Others on the squad were Pete Weber, Marshall Holman, Wayne Webb and Mark Williams.

MARCH 1986

Las Vegas, a city known for its nonstop action, was the site for an extremely active ABC Convention. The 1,087 delegates voted on 31 amendments including approving a maximum $1 dues increase (50¢ to national headquarters and a maximum 50¢ to local associations for a $6 maximum total) and use of the lane dressing measuring device. They also elected Dahl of Portland, Ore. as 73rd President and James T. Lusk of Jamestown, N.D. as 10th Vice President.

ABC Hall of Famer Norris of San Diego continued to amaze the bowling world as the very spry 78 year old became the third man to knock down 100,000 pins in ABC Tournament competition.

Anthony, Bellisimo and Howard were inducted into the ABC Hall of Fame at special ceremonies at Las Vegas' Cashman Field Center.

Pat Healey Jr. of Niagara Falls, N.Y. earned the Chuck Hall Star of Tomorrow Award given annually by ABC to the male Young American Bowling Alliance member who; has distinguished himself on the lanes, in the classroom and in the community.

APRIL 1986

The ABC made the announcement of the Added Value Program for its members to take effect Aug. 1. The program was designed to give members substantial savings on 15 selected items.

MAY 1986

Mohn's term as ABC President ended when Dahl officially took over the job May 1.

Mark Fahy of Chicago earned $43,600 and a year's use of an American Motors Corp. Commanche for his victory in the ABC Bud Light Masters in Las Vegas. Fahy beat Del Ballard Jr. of Richardson, Texas for the title.

A record 166 ABC seniors from 46 states and three Canadian provinces participated in the National Seniors Championships in Las Vegas.

Kerm Helmer of Buffalo, N.Y. and Charles R. Werle of Chicago were appointed ABC Directors-at-Large by President Dahl and approved by the ABC Board of Directors.

JUNE 1986

Headed by the performances of two Milwaukee area teams representing Faball Enterprises, Midwest bowlers swept all but three of the titles in the 83rd renewal of the ABC National Championships in Las Vegas. Faball No. 2 captured the five man team title while Faball No. 1 won the team all events crown. Don Cook of Milwaukee and Bob Larson of Kenosha, members of the No. 1 team, combined for the doubles championship. Ed Marzka of Detroit was the all events winner while Jeff Mackey of Mexico, Mo. earned the singles title and The Breakers of Vancouver, B.C., Canada took the Booster team championship.

King (Bob) Mars of Pasco, Wash. was appointed an ABC Jurisdictional Director by Dahl to fill the unexpired term of James Beckett of Yakima, Wash., who resigned.

JULY 1986

Regional qualifying for the inaugural TEAM USA was completed with 24 men from 21 states advancing to the national finals to be joined by six military qualifiers. More than 4,000 men began the competition at the local level throughout the 1985-86 season with the hope of competing for spots on U.S. International teams.

FIQ President Roger Tessman, Vice President Robert Tan and General Secretary George Sarahete met with the International Olympic Committee's Program Commission to discuss bowling's inclusion in future Olympic Games as a medal sport.

Congratulations were in order as ABC President Paul Mohn shook hands with President-elect Joe Dahl at the 1986 ABC Convention.

1986 ABC Convention Annual Meeting Condensed Minutes and Proceedings

The 1986 Annual Delegates' Meeting of the American Bowling Congress convened at 9 a.m. March 14 at the Cashman Field Center in Las Vegas, Nevada. A quorum was present and ABC President Paul Mohn called the meeting to order. An invocation was given, national anthem sung and memorial service held. Welcoming remarks were issued by Manuel J. Cortez, vice-chairman of the Las Vegas Board of Supervisors.

Women's International Bowling Congress President Helen Baker told the delegates of WIBC's goal of growing to 4.2 million members by 1992. She said it was important to keep working together as a family and that programs such as TEAM USA, international competition and working towards inclusion as an Olympic sport show the accomplishments of a united effort.

Bowling Proprietors Association of America President Jamie Brooks addressed the delegates saying he and his fellow proprietors were anxious to find a solution to the problem of high scores being rejected due to lane conditioning problems and felt a limited distance dressing rule would solve this problem. He also talked about the BPAA's commitment to bringing in new bowlers through the BPAA marketing plan with the first step being a Super Bowlin' Saturday program geared to bring youth into the bowling centers. He said the proprietors shared the goal of all bowling to have the sport included in the Olympics.

National Bowling Council President Arnie Fogel told the delegates of the organization's goals. NBC wants to increase the number of sanctioned league bowlers by 10% over the next five years. It is proud of sponsoring the National Collegiate Bowling championships and also is working for bowling's inclusion in the Olympics. It is working with the scouting groups to have bowling included as an activity. It continues to work on keeping America aware of bowling with advertising and promotion such as a program with General Mills and a one game free with one game paid promotion in the company's many cereal products.

Jim Fitzgerald, president of the Bowling Writers Association of America and Joe Antenora, commissioner of the Professional Bowlers Assn. also addressed the delegates and reported on the plans of their organizations.

National Bowling Hall of Fame and Museum Executive Director Gerald Baltz highlighted recent developments at the Hall. An educational program for use by elementary teachers for school tours was created, a bowling night was held at a St. Louis Cardinals game and a new fundraising program was created. The program offers free admission to the Hall, a special emblem and discounts in the Hall gift shop for a $25 donation.

Young American Bowling Alliance Executive Director Ed Clarkson informed the delegates youth membership was up and should hit 700,000 for the season. He said 3,102 centers participated in the National Junior Bowling Championships with all 50 states, Canada and military installations overseas competing. YABA has increased its awards program and is using more promotion ideas such as the YABA mascot, BIF — Bowling Is Fun.

American Bowling Congress Paul Mohn of Silver Spring, Md. chaired the annual delegates meeting.

MOHN: Next is the reading of the minutes and the Chair recognizes Glen Barber, Central California.

GLEN BARBER: I move that the minutes of the last meeting be suspended.

MOHN: We have a motion to suspend the reading of the minutes. Ken Kreger of Lackawanna, N.Y. has seconded it. Any discussion?

There apparently being no discussion, all in favor of the motion say aye; all opposed same sign. So carried.

The next item on the agenda is the President's report. And I am pleased to bring that to you now.

Bowling is alive and well, as is the ABC. Reports of the committees are in your books, and I hope that you will read them and then when you get back to your associations, that you will share those reports with your board of directors who were not able to be here at the Convention.

This is an exciting and challenging time, and you've heard some exciting points that were made by a number of the speakers earlier this morning. From all indications, membership is beginning to stabilize and, with a little more effort, we should again see annual increases in membership.

We actually already are down far less this year than last year. One thing we tend to overlook, is the fact that our numbers of members per lane bed is up. There are a lot of houses, a lot of bowling centers closed, and those bowling centers in many cases haven't been replaced.

Many of the proposed programs and projects that we have before you can instill new life into our sport: greater incentives to sanction, stronger local associations, awards to many more bowlers, more effective communication and introduction of bowling in elementary and high schools are just some of the opportunities, given the financial resources.

Gentlemen, as I review programs of similar organizations, we should be very proud of what we already have from a very modest dues; and I'm talking about what we have in the services from the national office and from your local associations.

The quantum jump forward that can be made with approval of the dues increase will provide our members with the most progressive sports organization in this country. In nine other sports that we reviewed, our membership dues is the lowest. All others, except one, is $10 or more per year. Not a single one of those organizations even begins to provide the services that your associations and the national office provides for our members.

There is one difference, and one which we hope that we can correct, and that is most of those other organizations have a periodic publication that goes to each and every member. We do not have the type of communications we need to reach our member bowlers.

In my letter to the officers and directors of the ABC at the beginning of my term, I identified five major goals to be accomplished during my tenure. These goals were above and beyond the existing programs.

One goal was a 25% increase in the number of bowling councils. I am pleased to report that will be exceeded and much of the credit should be given to you because you have taken the initiative in helping form bowling councils along with the WIBC and the

Delegates from across the country jammed the Cashman Field Center theater for the 1986 ABC annual meeting in Las Vegas.

BPAA. I commend you.

The benefits of bowling councils are lauded by membership organizations and by bowling proprietors, and I might say also by bowling writers.

What do bowling councils do? Communications improve, tensions ease and new projects get underway. I urge each of you to continue and to strengthen your efforts to form bowling councils.

Another goal was fulfilled with the advent of our first written strategic plan. The mission statement and objectives for the Congress were developed over a period of two years and represent the thinking and views of our leadership. Studies of our membership and bowlers generally were included in the base for the plan. Implementation has begun, and annual adjustments and updating will be made.

Gentlemen, we are a service organization, but at the same time we are big business. Each of our local bowling associations, certainly some of them, are pretty good-sized businesses with 100,000 even 40,000 or even 20,000 members exceeding organizations of other types. So you are big business.

The strategic plan was weighed upon surveys and studies. We are proposing the seven new programs in response to those studies and surveys that we have made. Those are the things that the bowlers and the associations have said they wanted. But in order to accomplish that, we must have a funding commitment. You cannot continue a program knowing that you are going to have to come back for a dues increase in another year or two in order to continue that program. So we need the funding commitment.

If you recall the report of the NBC, the biggest campaign in history was to advertise bowling. It is our opportunity, and we should seize that opportunity, to meet the challenge and recruit and retain more league bowlers. We can do it but we must have the resources to do it.

Another goal was to promote youth bowling. Through the NBC and funded by membership organizations, we are commissioning the YABA to develop and implement an in-school program. This would be done nationally. The basic plan and budget have been approved. What remains is for us to have the resources. This means introduction of bowling to a large segment of the school children, your future members.

We have been losing with the youth for a number of years. Other sports have been far more successful in attracting them to their sport than we have. Most of those other sports also have in-school programs. It is imperative that we begin such a program as well.

A second thrust will be implemented in October when the NBC will promote Super Bowlin' Saturday in which many of you will be involved as coaches and assistants in conducting that event.

Another goal was to strengthen our organizational structure. Proposals are being presented to you that, if approved, will partially fulfill this goal. Discussions with you this week will provide input for further proposals.

The last goal was to develop a membership marketing program, increase membership and raise the image of bowling and the ABC — our organization made up of local bowling associations and the national office. Too often we forget that ABC is one organization. You are part of that organization, the national officers and directors are part of the ABC. And let's not use the approach of "you" and "us" and "we" and "they" because we are one organization, hopefully with the same goals and objectives to serve our members.

To assist in achieving this fifth goal, I established the new Marketing and Public Relations Committee. For a first year committee, the members are to be complimented for their progress.

One measure of their innovation is the proposal to double the number of bowlers in each league who will receive an ABC award. While not forgetting the high average bowler, their main attention was directed to bowlers who make up the majority of our membership.

Additionally, a number of proposed programs and actions are pending from various committees. Many of you already heard and you will see later today, the Added Value Program which will provide to every member, who has an interest in utilizing that coupon for each item, no less than $7 savings.

When the dues increase is approved, implementation of many of these programs and actions can begin. The opportunity for increasing our membership, improving services to bowlers and marketing our sport are constrained only by limited resources.

There were some other priorities: one was accelerated progress in developing and implementing educational programs. The Local Associations Officers Training Conferences have been attended by many of you. Many of those — almost all of those that I've talked to — have put this as one of the best things the ABC has ever done. Everyone lauded and praised the program. This program is long overdue.

Resources derived from the dues increase will go a long way to increase the national and local services to bowlers and expanding and accelerating that local association program.

ABC President Paul Mohn (right) presented the Five Year Service Award to Carl Tigner of the Columbus (Ohio) Bowling Assn.

The next priority — and I won't go into much because it's been talked about before this morning — is acceptance into the 1988 Olympics.

Perhaps the one program that I feel very strong about and one which we probably have not done as much about as we should, is an industry-wide effort to increase sanctioned league bowling. You heard the report of the NBC Marketing Plan that expects to increase sanctioned league bowling by 10%. To do that we all must work together.

We must have programs that are attractive to the bowlers. We must take a look at adjustments in our way of doing business, in the way in which leagues are constructed. There must be an all-out effort by the ABC officers and directors, local bowling association officials and proprietors. National staff, including field men, have done an outstanding job. The rest of us need to readdress our abilities to the issue.

One of the most challenging areas of sanctioning is the senior leagues. We have discussed this at the NBC and it will help coordinate the efforts of the membership organizations and the proprietors.

On another note, in your associations' board of directors, and council of delegates in every part of the U.S. and Canada, I found both excellence and dedication of staff and volunteers.

Those meetings and meetings of the proprietors, indicate to me that for the most part there is a common purpose to strive toward increased sanctioned league bowling, maintaining lane conditions, and raising the profile of bowling as a competitive sport.

Ideas, as well as constructive criticism and suggestions — and I got a lot of those from many of you from the many associations that I visited — will be passed on to committees and staff. My thanks to all of you who took your time to share with me your concerns, your suggestions and your ideas. We appreciate your contribution to our sport. It is helpful to have frank dialogue vis-a-vis public relations platitudes. You folks of the local associations are the grass roots of the ABC.

The volunteers who serve as your national officers and directors are a dedicated and talented group. Each year they contribute several days and nights to duties in their jurisdictional area and receive no fee or expense reimbursement.

Additionally, most attend at least four days of committee meetings in Milwaukee and a week at the Convention for which only expenses are reimbursed. Diversity of their experience and background assures the Congress of a wide variety of expertise which gives the Congress a wealth of leadership from which to make ours the most effective sports organization.

Special thanks to Past President Bill DeHaven and First Vice President Joe Dahl for their counsel and assistance. To each of the committee chairmen, we owe a debt of gratitude because it is the committees which set direction and establish policies.

The ABC is blessed with an outstanding national staff. The staff gives over and above the call of duty in contributing their time and talents to a great sport. My thanks to all of them for their support and cooperation during this most memorable year. We have accomplished a great deal this year, and the staff has given over 100% to achieve difficult goals.

A most sincere thanks to our Executive Secretary-Treasurer Roger Tessman and Assistant Executive Secretary-Treasurer Burt Kellermann for their immeasurable leadership. Their guidance and wisdom will ensure the ability in our organization as well as in bowling generally.

Leadership of the NBC, the BPAA, the WIBC and executives of manufacturers and many bowling center organizations have been most cooperative in discussing issues and solutions to problems. We are a close knit industry even though we each have our own specific functions and agendas.

Finally, thank you for the privilege to serve as President of the Congress. Thanks to each of you for your support. Also, thanks to many of you for your constructive criticisms and suggestions. You help keep our organization healthy. I thank you.

In the interest of saving time, no vote to accept the individual reports will be taken until all of the reports are presented.

Next on the agenda, I'd like to call on our Executive-Treasurer Mr. Roger Tessman.

TESSMAN: Thank you Mr. President. Good morning, gentlemen. It is a pleasure to have you with us here in Las Vegas, and we sincerely appreciate your taking the time and making the effort to be part of the program. As Paul has said, this has been an eventful year and positive things have been accomplished in this year. Most of which have been because of your efforts and your work.

Point one, membership as of this date is 3,203,157. That is just slightly over 3,000 less than a year ago at this same time. Now, it is still down, but remember, we have lost 120 bowling centers in the year, so as Mr. Mohn has pointed out, in reality we have more bowlers per lane than we did one year ago. And we do feel very confident that the bottoming out has occurred and there will be an increase from here forward.

This year there have been 224,640 additional members recorded after the league sanctions were filed. That is some 36,000 over the same period a year ago, or plus 19%.

That goes to show that you're checking your records, you're conversing with league secretaries to ensure that those added numbers are being sanctioned and that members are being processed. And we thank you most sincerely for that.

A year ago at the Convention, a resolution was adopted which authorized representatives of ABC to meet with representatives of WIBC to discuss the unification of organizations in the equipment testing area. In other words, as is the case in a number of our departments at voting headquarters, we share the total expense of that organization.

This is true in the data processing area, in the printing and mailing area, in the warehouse, tournament sanctions, and most recently the certification program, and the awards processing program.

This is a sharing because the WIBC member derives the same benefit as the ABC member and certainly this has been beneficial to both WIBC and ABC

in keeping with the direction authorized in the resolution. We have proceeded with the discussions and we're pleased to report that they have been positive.

We will be working further with the representatives from the WIBC in the hope that at next year's Convention both organizations will have some legislation which would make this project a reality. I think this establishes one very important thing for our sport — the ability to work cooperatively with others.

You've heard considerable conversation here today with regard to bowling councils, the need for bowling councils. We find that when we can sit and talk and when we can understand someone else's point of view, they have the opportunity to understand our point of view and that problems cease to exist and progress becomes the byword.

We would certainly hope, therefore, that if in your location you don't have a bowling council, that you certainly start one because you would find that much will be accomplished on the positive side of the ledger. Some of the little heartburn issues will dissipate and you'll become friends, associates, and working partners in our sport.

Talking about cooperation, you heard today what some of the programming is going to be for the coming year. I think one of the more important areas is the Super Bowlin' Saturday Program and the concentration on a firstclass effort toward youth bowling.

I don't know how many of you follow statistical information on population, but our population in this country is growing older. This means that we have to continue our efforts to provide better programs for seniors. However, with an older population we certainly have to concentrate our efforts on the youth that are coming into the marketplace, because in 5, 10, 15 years those will be the faces facing us. And those will be the folks that will be doing the association work.

I think the program will work wonderfully well, but it is going to require that cooperative effort. It will require your assistance, and on that end, there is a committee that has been appointed for the completion of the program.

It includes WIBC representation, ABC representation, YABA representation, proprietor representation so that we can cooperatively work the program and get the maximum result.

In that regard, Mary Lou Retton's name was mentioned as a spokesperson for bowling. I think if you put Mary Lou Retton as the leader of the campaign for Super Bowlin' Saturday and youth bowling, you can see the wisdom of using a young, vivacious attractive girl, who has had much in the way of adulation over her Olympic accomplishments in a position to be a spokesperson for bowling.

We acknowledge that her bowling experience is limited, but her interest in bowling is very strong, and we feel there will be a strong affinity between the young people and their parents for this type of a spokesperson for our sport.

We should also point out that while the industry through NBC is developing and promoting the program, the funding for Mary Lou's part of that program was an extra effort by BPAA. They made the extra contribution to see to it that we had a spokesperson. I think they are to be thanked for that effort and certainly this is going to make the program more attractive and effectiveness is going to be measured in large part on how well we work toward the completion. We would hope, therefore, that you will all continue to give it your best effort.

In closing, I would like to say this; that Mr. Kellermann and I and the staff owe you all a debt of gratitude. Day by day, hour by hour, you are the individuals that make this organization. We compliment you on your efforts. We thank you for your help and certainly we look forward to continued working relations with you that will be productive for all of our goals.

I think in my international travels, I have learned one thing that compliments you. Many of the leaders in sports that I have met seemingly are more interested in, "Where is the next meeting going to be held?" and "Have I been to that city?", than "What type of programming are we going to provide for our athletes?".

I compliment you because your first priority has always been our members and the program for those members. With that kind of a goal and with that kind of support, our organization will continue to prosper.

Thank you very much.

MOHN: And now I call our Assistant Executive Secretary-Treasurer to the podium, Mr. Burt Kellermann.

KELLERMANN: Good morning ladies and gentlemen. It has been customary to present a summary of committee reports at this time. However, inasmuch as all of the committee reports are printed in full in your delegate book, we will forego the summary and use this time to expand on two reports and show presentations relative to the Planning Committee and Equipment Specifications Committee reports.

We do ask that you review all of the written reports and share that information with your board members and bowlers when you return home. The first presentation is a report of the Planning Committee.

ABC delegates made their voice heard at the annual meeting in Las Vegas.

(At this time, the "We're Shaping Tomorrow" slide program was presented.)

There are handouts relative to the strategic plan and you should have received it when you registered. If you have not, we urge you to get copies, take them home and share them with your board members and other bowlers. The next presentation is an update from the Equipment Specifications Committee.

(At this time, the Equipment Specification slide program was presented.)

Mr. President, that concludes the 1986 published reports.

MOHN: I would recognize Charles Hageman.

CHARLES HAGEMAN: Mr. President, I would like to move the acceptance of all the committee reports and make them part of the record.

MOHN: The motion by Charles Hageman was to accept the committee reports and make them part of the record. Seconded by Jack Murphy, Sarasota, Fla. All in favor of the motion say aye; those opposed. Carried. Thank you.

We now will have the report of the Nominating Committee by Past President William DeHaven.

DEHAVEN: Mr. President. To the Officers, Directors, Past Presidents and Delegates of the American Bowling Congress and Annual Convention.

Gentlemen: Your Nominating Committee submits the names of the following individuals as candidates for the various offices:

PRESIDENT AND VICE PRESIDENTS

For a term of one year

President
JOSEPH T. DAHL, Portland, Ore.

1st Vice President
EDWARD W. SWEENEY, St. Louis, Mo.
2nd Vice President
EUGENE E. ADAMS, Cincinnati, Ohio
3rd Vice President
MAX D. SKELTON, Ada, Okla.
4th Vice President
BOYD M. PEXTON, Salt Lake City, Utah
5th Vice President
HENRY J. LAPINSKI, Philadelphia, Pa.
6th Vice President
THOMAS W. MCKAY, Warren, Mich.
7th Vice President
TED F. MELONIS, Omaha, Neb.
8th Vice President
LAWRENCE SCHAFER, Macon, Ga.
9th Vice President
BLASE P. PALUMBO, Buffalo, N.Y.
10th Vice President
JAMES T. LUSK, Jamestown, N.D.

Directors

For a Term of one year
WILLIAM J. BACON, Lubbock, Texas; JAMES D. BECKETT, Yakima, Wash.; JERRY L. BELTZ, Anchorage, Alaska; JAMES D. BEVINS JR., Knoxville, Tenn.; JOHN G. BIRDWELL, Ft. Wayne, Ind.; PAUL D. BOLLER, Miami, Fla.; CHRIS BRUGNOLA, Jersey City, N.J.; JOHN E. BULGER, Steilacoom, Wash.; VERRILL F. BURGIN, Toledo, Ohio; WILLIAM G. CHESTNUT, Springfield, Ill.; ROBERT F. COTTRILL, Bloomfield, N.J.; THOMAS F. DECHALUS, Deer Park, N.Y.; WALTER E. DELOZIER, Wichita, Kan.; JOSEPH R. FERGUSON, Brooklyn, N.Y.; RICHARD W. FINKE, Minneapolis, Minn.; EDWIN W. FISHER, Houston, Texas; ALTON R. FORBES, Norfolk, Va.; ROBERT W. GIRTS, Poland, Ohio; PEDRO R. HERNANDEZ, Billings, Mont.; JOE CONNELL HIGGINS, Arlington, Texas; JAMES R. HILLIKER, Woodland, Calif.; CHARLES D. HOWELL, Idaho Falls, Idaho; HAROLD L. JACOBY, Northglenn, Colo.; THEODORE M. JASKIE, Brown Deer, Wis.; MARVIN C. KETTELHUT, Palm Bay, Fla.; WESLEY G. KIDWELL, Indianapolis, Ind.; EUGENE H. KLINE, Midland, Mich.; KENNETH F. KNAPP, Los Angeles, Calif.; BURLE M. LEWIS, Middletown, Pa.; DUNCAN G. MACPHERSON, Clifton Park, N.Y.; THOMAS K. MAHAULU, Hilo, Hawaii; RICHARD D. MERRILL, Hudson, N.H.; JOHN R. NEVADA, Rochester, N.Y.; JACK A. OTERO, Santa Barbara, Calif.; JOSEPH PAUSSA JR., Syracuse, N.Y.; WALTER R. PAYMENT, Greenville, S.C.; G. WALTON ROBERSON, Tucson, Ariz.; STEPHAN ROBUTKA, East Hartford, Conn.; MICHAEL G. SHENESKY, Zelienople, Pa.; MAURICE E. SMITH, Chicago, Ill.; TOM STOMA, JR., Lafayette, La.; CARROLL L. STONEHOUSE, Grand Rapids, Mich.; GERALD F. TESSMAN, Maplewood, Minn.; BRUCE J. THERMINY, Bradford, Pa.; MARVIN H. TOWNSEND, Kansas City, Mo.; ROBERT P. TURNER, Scarborough, Ontario, Canada; WILLIAM E. VITENSE, Monona, Wis.; GLENN E. WEAVER, Sunnyvale, Calif.; MAX WEINSTEIN, Louisville, Ky.; DIRK WHEAT, Waterloo, Iowa; RICHARD N. WHITE, Jackson, Mich.; CALVIN C. WHITMORE, Moline, Ill.; MICHAEL J. WILLIAMS, Negaunee, Mich.; ROBERT D. WISSMULLER, Dearborn, Mich.; RICHARD A. YOAKUM, Columbus, Ohio, and GEORGE ZEIDELL, San Diego, Calif.

Past President-Life Member
PAUL O. MOHN, Silver Spring, M.D.

Honorary Member
WILLIAM H. HALL SR., Chicago, Ill.

Respectfully submitted, ABC Nominating Committee: Raymond V. Arnold, Ted F. Melonis, H. Wesley Bogle, Jack C. Moore, Julian O. Johnson, Max D. Skelton and your reporting chairman, William D. DeHaven.

Mr. President, I move the acceptance of the Nominating report.

MOHN: Thank you very much. There will be a call for nominations from the floor. As many of you know, any nominations from the floor must be in opposition to a specific name on the ballot. Are there any nominations? Are there any other nominations? (No response from delegates)

I believe I'm looking for a second for the motion for Mr. DeHaven. Is there a second? (Motion was seconded by a delegate from Fairmont, W. Va.)

Any further discussion? All in favor say aye; those opposed same sign. Carried.

At this time, I'd like to call Joe Dahl, First Vice President, to the podium to explain what the five year Service Award is and then to call the recipients down to receive their award.

JOE DAHL: At the 1982 Convention, 24 associations received the ABC Service Award for the 1980-81 season. By maintaining excellent service, 20 associations have earned the five year award for continued excellence in service. Here are the 1984-85 five year award recipients:

Billings, Mont. - Vince Hummel, Secretary
Chattahoochee, Ga. - Fred St. John, Atlanta Bowling Assn. President
Clark County, Ohio - Wayne Vanwey, Secretary
Greater Columbus, Ohio - Carl Tigner, President
Dayton, Ohio - Nolan Harlamert, President
Durham-Orange Counties, N.C. - Walt Payment, ABC Director
Houston, Texas - Nick Jevas, President
Huntsville, Ala. - Clyde Enoch, Secretary
Jackson, Mich. - M. J. Sambaer, Secretary
Greater Louisville, Ky. - Jacques Curwen, Secretary
Ogden, Utah - Frank Degrood, Secretary
Oshkosh, Wis. - John Smith, Secretary
Ottumwa, Iowa - Dirk Wheat, ABC Director
Plattsburgh, N.Y. - Robert Adams, Past President
Rochester, N.Y. - Ray Dassero, President
Sacramento, Calif. - Ray Reed, President
Greater St. Paul, Minn. - Elmer Beyer, Secretary Emeritus
Seminole County, Fla. - Jackie Kaiser, Secretary
Shawano, Wis. - Bill Rosin, Secretary
Syracuse, N.Y. - Bert Sarno, Jr., Secretary

At tomorrow's workshop, ABC will present service awards to first time recipients for outstanding service during the 1984-85 season. Please be there.

MOHN: Gentlemen: I suppose that this is one of the most pleasant duties that I have ever had because to recognize those associations that have been doing such a terrific job is to recognize the backbone of our organization.

Now gentlemen, in the back of the delegates' book is a small paragraph on each one of those recipient bowling associations. I think it is a symbol, being able to hang that plaque in your office, it is a symbol to

all of your boards of the terrific job that you did because you certainly are doing a great job, and that is what makes our organization the greatest.

At this time, I will call upon Roger Tessman to explain the voting procedures.

TESSMAN: Gentlemen, as you leave the convention for the morning, staff will provide you with a ballot. You, of course, must be a registered delegate to vote and you have your identification tag on you as a registered delegate.

When you pass your ballot, that will be punched so that there is not a multiplicity of ballots cast by one person. On the top of the ballot are some very specific instructions. They parallel Article 5, Section 1 of the Constitution. And in effect, you have the opportunity as you did earlier for nominations from the floor.

Since there were none, that part of the ballot instruction would not be applicable. However, you still have the opportunity for a write-in candadate should you choose to do so.

If, in fact, that is your desire, the name of the person you wish to write-in must appear in the right-hand column next to the name of the individual you are placing that candidate in opposition to.

Then, once you complete the process, you have a circle on the ballot. You merely check the circle and process the ballot. If, however, you do not choose to have any write-ins, you just check the circle and process the ballot. The ballot boxes will be opened immediately on leaving here and they will remain open, I believe, the Chairman has set 2 p.m. for the closing time.

MOHN: 2:30, Mr. Spealler.

TESSMAN: The ballot boxes will remain open until 2:30. At that time, all ballots will be counted and will be reported out to you.

As was mentioned earlier this morning, the fellows from Detroit have mounted a very nice campaign for National Bowling Week to be declared by the President. In order for this to be accomplished, you must of necessity have a joint resolution in the Houses of Congress.

The fellows from Detroit have been passing out petitions and I have also accepted signatures here. But the main essence of their program is for you to take petitions home, have your bowlers sign them and please get them to your Congressmen in your state so that they will get on the bandwagon with Congressman Burdell to get that joint resolution. Mr. Chairman, that concludes the announcements that I have.

MOHN: Now, we are going to close this morning's meeting on a very high note; that is, the Chuck Hall Star of Tomorrow Award.

This award was instituted to annually honor an outstanding young man from the bowling community. This award is to some degree symbolic, but for the most part recognizes an individual who stands out among his fellow bowlers. It is, therefore, a rare honor for this young man now being led to the podium.

To be considered, candidates must display superior bowling ability and possibly more important, good sportsmanship and a personal high scholastic achievement in school. The winner this year is truly exceptional and fills all those requirements.

Now, I would like to ask YABA Executive Director Ed Clarkson to escort the honoree to the podium so that I may present to him the award as well as a $1,000 scholarship certificate.

I would like to award the 1985 Chuck Hall Star of Tomorrow to Patrick Healey of Niagara Falls, N.Y.

While we have this opportunity, Patrick rolled a 300 game in 1985; and since it has just been approved, we thought this would be a most opportune time to present him with his plaque, his emblem and his medal. So, Patrick, on behalf of the ABC, I present you with the Chuck Hall Star of Tomorrow Award.

PATRICK HEALEY: This is probably the best day of my life so far. I just would like to thank my parents, especially my father because he is the one who started me in the sport. And he is also behind me in bad times as well as good, telling me what I am doing wrong and encouraging me not to give up.

I would also like to thank Jim Martino for developing my game, and he is the one personally responsible for nominating me for this award.

MOHN: We are adjourned until 1:30 P.M.

(The meeting was adjourned at 11:50 A.M.)

AFTERNOON SESSION

The American Bowling Congress, the Delegates Convention reconvened in the Cashman Field Center, Las Vegas, Nevada, at 1:30, Mr. Paul O. Mohn, President of the Congress, presiding.

MOHN: At this time, I would like to call for ABC Director Jim Lusk to give a presentation.

JIM LUSK: Thank you, Mr. President, good afternoon. The Las Vegas officials notified ABC officials that they had a facility large enough to host the ABC Tournament and bid to host 1986 Tournament and Convention.

Through the efforts of the Las Vegas Convention and Visitors Authority and the Southern Nevada Bowling Assn., that bid was initiated and accepted by the ABC Site Selection Committee.

Since that time, it has been nothing but positive results. The tournament drew an entry of 10,019 five-man teams going to run for a record 134 days and has a record $2.1 million prize fund. For all of this we thank you and your members who have put us over the top in all of those categories.

Although this is our first visit to Las Vegas, we have visited its northern neighbor, Reno, on two previous occasions and will be running there in 1990.

Everyone has done a great job in making us feel welcome. This new facility, not only the theater you are sitting it, but the neighboring building, has provided us with fantastic accomodations. We must express appreciation for the late Jerry Dudley whose efforts on behalf of the local convention and visitors authority were very instrumental in our being here today.

It is impossible to give credit to every individual responsible for making this the great event that it has been, is now and will be. However, special appreciation must be extended to Frank Zaine, executive director of the Las Vegas Convention and Visitors Authority and the director of the facility for the authority.

Thomas Smith, the executive director of the Cashman Field Complex, has worked closely with our staff in making this a reality. Our thanks to all of them and those who work with them.

Since our tournament opened, the Southern Nevada B.A. headed by President Bob Jones and Secretary Joe Mathis, has made its presence known and has been extremely helpful. I am sure the bowlers who visit Las Vegas, especially those who win, will echo my words of appreciation. On behalf of all of them, the ABC officers and board of directors and staff, I say a sincere thank you for everything you have done to make the 1986 ABC Tournament and Convention a record setter. Las Vegas, we hope you invite us again soon.

MOHN: Thank you very much, Jim. At this time I would like to announce to the committees. There is a Conference Committee for language or other negotiations that must be done with anyone of the amendments.

It is made up of Bernie Voizar, Cleveland; John Halferty, San Diego, Larry Walton, Baltimore; Ted Melonis, chairman of the ABC Legal Committee; Ben Palumbo, chairman of the ABC Rules Committee, and Edward Sweeney, chairman of the ABC Legislative Study Committee. Mr. Sweeney will serve as chairman of that group.

The Ballot Committee is composed of: Dean Halsey, Omaha, Neb.; Bruce Zentz, Fairmont, W. Va., and Webb Sheridan, Los Angeles.

Gentlemen, with respect to the Ballot Committee, they would like you out by registration. The Credentials Committee, when it needs to meet, will also assemble by the registration area and the staff will meet you there.

The Credentials Committee is made up of: Walt Payment, Greenville, S.C.; John Bulger, Steilacoom, Wash., and Tom McKay, Detroit.

At this time, ladies and gentlemen, it gives me a great deal of pleasure to recognize a person who has contributed greatly to our sport, the sport of bowling, and especially the membership organizations can be extremely proud of the support it receives from the military, both in this country and overseas. However, the overseas picture would not be as bright as it is today if it wasn't for one man, Jim Moynihan.

Prior to the early 1960's sanctioned bowling at military bases was virtually nonexistent. The servicemen and women were being deprived of the many services offered by the ABC and the WIBC.

Today, it is a different story and much of the credit must go to this man. We would like to take this opportunity to honor him for his efforts over these past 40 years for the sport of bowling, especially the ABC.

It is my pleasure to present you this desk set reading "ABC salutes Jim Moynihan, a friend to bowling, Las Vegas, Nevada." Jim, do you want to say a few words?

JIM MOYNIHAN: Thank you very much Mr. President, I am overwhelmed.

I would like to say at this time that we are very very much indebted to the staff at ABC for their services to the U.S. Forces in Europe. We have never failed to have cooperation in any way, shape or form, it has been outstanding.

On behalf of all the U.S. Forces in Europe, a very hearty thank you to everyone. To the staff and the President here at ABC, thank you very much.

MOHN: Gentlemen, this brings us to our most important responsibility, which you as delegates fulfill each year. Before I turn this part of the program over to our legislative chairman, I want to recommend to you the direct approach article in a recent BOWLING magazine which I wrote. It indicated that each of you who attend have a responsibility when you go back home to bring your fellow board members up to date, and more than that to see if you can encourage more of the associations to come and participate in the democratic process which takes place in our organization. With that, I would like to turn the podium over now to our Chairman of the Legislative Session, Jack Otero.

JACK OTERO: Thank you, President Mohn. Before we commence the legislative session, I would like to review with you the procedures that we have been following a number of years and to apprise you who are here for the first time.

First of all, our Constitution requires the Board of Directors to make recommendations of either rejection, approval or deferment and to report that recommendation to you, the delegates.

Therefore, what would be before you would be the recommendation of the board of directors for either rejection, approval or deferment. And only one that requires two-thirds vote is for adoption because that will change the bylaws. That will not require a second, and after I read the substance of the amendment then we will go right into the debate.

The second procedure we follow since Baltimore (1981) has been to try to alternate to speakers on each side.

I want to make it clear that everybody who wishes can speak to it, so if we end up with only one side, will we do.

Finally, I would like to acknowledge and want you to acknowledge our Parliamentarian, Dr. Edward Leone who has served the past 11 years.

Without any further clarifying remarks, we have the first three amendments, which were deferred amendments that the committee has with alternative provisions, but dealing with the same subject matter.

The first one is amendment 23.

That amendment provides in substance that in the absence of a specific league rule a playoff must consist of the same number of games and be conducted under the same conditions and rules governing league play.

This amendment was proposed by the ABC Rules Committee and the recommendation of the Board of Directors is for adoption.

Is there any discussion on proposed amendment 23? There appearing to be none, all in favor of the motion for adoption for proposed amendment 23, signify by saying aye; those opposed, no. By your action, you have adopted proposed amendment 23.

Now, back to proposed amendment 1 which deals with the same subject matter to change the number of games as are normally bowled in a regular league match, and shall be conducted under the same conditions and rules which govern league play during the regular season, unless the league adopts special playoff rules. The proposer is Charlie Eichler of the New York City B. A.

The recommendation by the Board of Directors is for rejection and the reason stated is because we dealt with the same subject matter in proposal 23. Is there any discussion with regard to proposed amendment 1? There appearing to be none, what you have before you is rejection of proposed amendment 1. All in favor of rejection, signify by saying aye; opposed say no. By your action, you have rejected proposed amendment 1.

Now the next amendment we will consider is proposed amendment 30, which deals with the same subject matter as proposed amendment 2. It was deferred for further study last year.

That would permit the tournament management the authority to adopt a rule allowing the rebowling of any score lost during the scoring process.

The action by the Board is to recommend adoption. Any discussion? There appearing to be none, all in favor of adoption signify by saying aye; those opposed say no. By your action, you have adopted proposed amendment 30.

Now, proposed amendment 2 dealing with the same subject matter.

That language would permit the tournament management to allow tournament games to be rebowled when scores are lost in an automatic scoring device. That was proposed by Claude Neely of the Southern Nevada B.A.

The recommendation of the Board of Directors will be rejection having dealt with that in proposed amendment 30.

Is there any discussion on proposed amendment 2? Appearing to be none, all in favor of rejection please signify by saying aye; those opposed, no. By your action, you have rejected proposed amendment 2.

Proposed amendment 3 was deferred for further study. That results in two amendments being proposed by the Rules Committee. The first of which is proposed amendment 24.

That would require an individual to complete a membership application, pay dues or provide proof of payment prior to the completion of his first session.

The recommendation of the Board of Directors was to defer that matter for further study. Is there any discussion with regard to that motion for deferral? There appearing to be none, all in favor of the motion for deferral please signify by saying aye; those opposed by no. By your action, proposed amendment 24 will be deferred for further study.

Proposed amendment 19 specifies that the team captain is responsible for the eligibility of its team members under the league rules with the collection of ABC and local association dues.

Itwas proposed by the ABC Rules Committee and the recommendation of the Board of Directors is for adoption. Is there any discussion on proposed amendment 19? There appearing to be none, all in favor of the motion for adoption please signify by saying aye; those opposed signify by saying no. By your action, you have adopted proposed amendment 19.

Finally, we get to proposed amendment 3 which deals with the same subject matter as proposed by Gordon Sellers of Jacksonville-Lejeune B.A.

The amendment requires each bowler to complete an individual membership application and pay the sanction fees unless paid by another league prior to the commencement of his first series.

The recommendation by the Board of Directors is for rejection, since we previously adopted 19. Is there any discussion on amendment 3? There appearing to be none, all in favor of rejection signify by saying aye; those opposed signify by saying no. By your action, you have rejected proposed amendment 3.

Proposed amendment 4 — The ABC Finance and Budget Committee made an amendment, and as has been our custom we take the recommendation as amended without going through the process of submitting the amendment as such.

So what you have in this instance is a resolution which would increase the dues.

Each individual member shall pay annual dues to ABC effective Aug. 1, 1986 of $2.50 and a maximum to the local association $3.50 or for a maximum total of $6.00. Aug. 1, 1987, $3.50 ABC and $3.50 local for a maximum of $7.00, Aug. 1, 1988, $3.00 ABC and the self-processing associations at $4.00 locally for a total of $7.00 and if nonself-processing $3.50 to ABC and $3.50 for the association.

Recommendation by the Board of Directors is for adoption. Is there any discussion with respect to proposed amendment 4 and the proposer that is right here to speak first is from the ABC Finance and Budget Committee, Max Skelton.

SKELTON: Gentlemen, to give everyone an opportunity to see the new programs that have been developed and the reasoning behind the dues increase that we told you was forthcoming last year, we have delayed our slide presentation until now and would like to now show it to you. (At this time, a slide presentation was given.)

Last season we projected to you a deficit of $750,000 for this year. It stands now that the deficit will be approximately $1.2 million. The deficit is caused by decreases in investment income and increases in various operational expenses.

Gentlemen, we are approaching the ninth or tenth frame. If we miss, we settle for the score that we have or we can strike out. We can make four strikes, five strikes for more communication or a strike for more service. We make a strike to better education and we can make a strike for more awards.

We will attempt to answer any question that you might have and then I will go down and we can enter into the debate.

JIM MC GUIRE, Eastern Long Island B.A.: Mr. Chairman, the question I have in regard to amendment 4 is that it is really a two part decision. The first is a proposal for a 50¢ increase in ABC dues for the 1986-87 season. The second is a proposal for an additional $1 in ABC dues beginning in 1987-88 season. The reasons for approval or defeating these separate increases are not the same. I therefore move to amend this amendment to 4 to be divided into two major parts and voted on accordingly.

OTERO: Is there a second to that motion? A speaker at the microphone.

STEVE DONAHUE Auburn, N.Y. B.A.: I will second that motion.

OTERO: Is there any further discussion with regard to your motion?

LARRY VESNA, Calgary (Canada): The one concern we have with the amendment and an ongoing thing is about the collection of dues and the change rates between the countries. I also have a small amendment I would like to put into this regardless of any of the changes, simply to indicate that all dues would be quoted in U.S. dollars.

OTERO: Sir, I am going to have to interrupt you because you are speaking about something that is not before this group now. It now has to do with whether we are going to separate this particular amendment so it could be voted on independently and I was looking for discussion regarding that amendment.

What it really means is that we will separate them and you have the power to do that, so I will put it to you in vote so I will deal with them separately. Does anybody wish to discuss anything?

ROGER PILCHER, Nation's Capital Area B.A.: I must disagree with the amendment to separate the two. I think although there being two prices involved, I think we miss the gist of the proposal. There is no way

Members of the ABC Board of Directors were honored for service as (back row, from left) Jim Hilliker, Duncan Macpherson, Glenn Weaver and Larry Schafer received an award for 10 years. Vernill Burgin (front, far left) and Julian Johnson (front, far right) were honored for 20 years, Lester Shirey (front, second from left) was honored for 25 years and Renus Lytle for 30.

to carry on the programs from ABC without the ability to plan, and all of you know in business that planning is the most important thing.

The pricing has evolved from several years of planning and the ability for us to be able to give individual bowlers their due recognition and support from the game that will enhance our growth period. Therefore, I think that the real gist of our approach is one of planning, and it presents itself as an entire package; therefore, I think the pricing is not really the subject we have at hand.

I would move for a vote being negative against the separation of pricing process.

OTERO: Any further discussion on separating this particular amendment to the two parts as suggested?

MCGUIRE: This program is already put into effect. If you look at your financial statements included in your booklet, we already have a 21% increase in ABC expenses because they have basically put this program into effect.

It is almost a necessity for that first increase just to keep the Congress solvent. Second of all, is the one increase which I think should be prepared, as I spoke to Mr. Skelton before, so that delegates would know how much exactly to collect and how much they are going to spend on each one, not on a chart as you had in the slide presentation. So I would like to vote on it so we don't have to defeat the whole proposal. You don't have to approve the whole thing. You can approve one or the other.

OTERO: Any further discussion on the motion before the assembly to separate? Microphone 2.

SAL DELISE, Clearwater, Fla. B.A.: We realize that the increase is necessary and we also realize that you have included it in your budgets for the next five years.

We would like to propose that you get this increase in increments in three years at 50¢ each year.

OTERO: I'm sorry, sir, you are out of order because you are now dealing specifically whether we are going to consider the introduction of increasing each year as set forth and not getting into the merits. You are not talking about that particular motion before the assembly.

Any further discussion with regards to the motion?

ROBERT WISSMULLER, Dearborn, Mich.: I say no in response to this proposed amendment to the amendment. It is self evident, I am sure, to most of the delegates here because the programs that have been put into effect that deal with funding and on the new programs which they saw on the screen and read in their workbook that I think that this proposal put out is in line. It is needed and I see no reason why to split it and I think we should vote on it as one amendment

OTERO: Is there any further discussion on the motion to split the vote with regard to proposed amendment 4? There appearing to be none, what you have before you is a motion to vote separately on the dues increase for Aug. 1, 1986 and proposed dues increase for Aug. 1, 1987 and later.

All in favor of that motion to deal with those two dues increases separately please signify by saying aye; those opposed, no.

By your action, we will be dealing with Amendment 4 as a unit and will not be separating it.

OTERO: Going into the merits of the proposed amendment 4 as amended was recommended by the Board for approval. Any further discussion on proposed amendment 4?

MC GUIRE: I was prepared to originally vote for the 50¢ and ask them to come back next year with a different type of presentation to show us. By this type of vote, I must speak out for the following reasons: You are asking for a dues increase, if Mr. Tessman's figures are correct, for $3.3 million. If the $300,000 drop, which would give us an annual income by the second year of the increase by $11.5 million in dues alone.

I speak for rejection of this committee's amendment and to come back to the committee to us for a better presented program.

VESNA: I have no problem with the original amendment or the Board of Director's proposed amendment. My concern from by Board, and I probably speak for many of the Canadian bowlers that we would merely like to be held to collect funds in order to cover the difference from changing of rates between the countries.

OTERO: Tessman indicated to me that that could be accomplished by an editor's note and is doing it now. It doesn't require an amendment and is noted by the Executive Secretary.

DELISE: Hopefully, I am not out of order. We want to go on record against this amendment for the simple reason that we took an extensive survey on the coast which includes 24 bowling centers.

We had taken this survey to determine whether or not we were going to lose a large number of bowlers or a small amount. We found in our survey that we would lose a great number of bowlers in our Sun Coast association alone.

We had 39 senior citizens leagues in one association that includes 1,200 members out of a total of 9,000.

We took a lot of time and work to sell these people sanction cards. Most of them called us and told us not to sell them a card if we go through with this increase. So we are going on the record against this amendment.

OTERO: We are going to alternate to somebody who wishes to speak in favor.

SKELTON: This is in response to the statement a little while ago concerning the programming. All of the programming that we listed in the presentation as new programming is new programming. It is not in effect, will not be in effect, if the dues are not voted in.

$11 million sounds like lots of money and it is a lot of money by itself. But when you are dealing with 3.6 million members, $11 million doesn't go quite as far.

OTERO: Does anybody wish to speak in favor who is at the microphone?

BEN PALUMBO, Buffalo, N.Y.: I want to talk about some small figures and I will talk about one big figure that's the $9 million figure or the $11 million figure.

If you looked at the charts, you will see it is the same as everything else in this world, expenses are going up every year. Unfortunately, our income is going down just a little. Even if we had constant income, it would be much the same as anybody in this room. We would be losing as to the rise of costs and

expenses.

Your members should be able to answer what you get for your dues. You get a lot of services. If you don't get a dues increase in two years, we will be broke.

OTERO: Now, a speaker who is speaking in opposition?

WILLIAM SCHWARTZENBERG, Westchester County, N.Y.: I speak on behalf of our delegation in opposition to an increase. I speak not from the financial viewpoint alone but from a psychological viewpoint.

This year our bowlers will be faced with very tremendous increases in lane fees daily brought about because of the cost of liability insurance. This is not doing anything to help make the bowlers very happy. Selling this at home is not a matter of selling it to a council of delegates, it is a matter of selling it to the bowlers who we represent.

OTERO: A speaker in favor of the amendment?

FRANK KIETZ, Southeast District, Calif. B.A.: The amendment proposers have presented a positive and much needed program to meet the challenges of the coming years and I feel that this is no time to take any negative actions.

OTERO: In opposition.

ED RUNDEL, Ithaca, N.Y. BA: I am in opposition to this amendment based on the delegates reaction at our annual meeting. We have been lucky the past few years while ABC membership has been defying increases. I am outraged with this dues increase and I am going to lose leagues plus bowlers.

OTERO: A speaker for the amendment.

GEORGE ZEIDELL, San Diego, Calif.: Mr. Chairman, every time we ask for an increase, I hear the passionate plea of poverty and inability to pay dues. The problem that we have before us, we didn't ask for enough money. If we asked for a $25 total, we might have received $15.

ZIEDELL: Everyone of you has aksed for more service from ABC. You have to pay for that service. We have a business and we are a big business. Let's conduct it as business people and not sports minded people.

OTERO: Any speaker at the microphone speaking in opposition?

BOB TURNER, Toronto, Canada: In regard to the Canadian associations, several years ago we were advised that we could charge the ABC portion of our dues in U.S. dollars or at the equivalent change in Canadian dollars.

That is on file in a letter from ABC.

OTERO: I am going to ask again someone in opposition, since that wasn't on that point.

JOE HEAVERN, Tonawanda N.Y. B.A.: I am speaking on behalf of a lot of fellas that I would tell them about this. With the decline in membership, let's try to at least keep the ones we have instead of turning away.

DUNCAN MAC PHERSON, Albany, N.Y. B.A.: On the issue, one gentleman made a point about most of the expenses that have been incurred are discretionary. I don't think that is quite accurate.

OTERO: Any speaker in opposition?

FRANK LESSARD, Providence, R.I.: Your projected programs, are very ambitious, but the thing I would get to seems to make a major portion of this increase is that figure that combats inflation. I think that perhaps the Board should reorganize their priorities, perhaps into these programs.

I think you then might get an affirmative vote. But in the meantime, we will be voting against this proposal.

OTERO: A speaker in favor.

LARRY WALTON, Baltimore: I represent 30 bowling centers and a new one coming up. There are approximately 20,000 bowlers and a board of directors meeting. We do favor the dues increase. And gentlemen, it comes to dollars and cents, that is not going to break anybody.

OTERO: You have spent an hour on this proposed amendment. We are repeating ourselves a little bit. If somebody out there wants to call the question, I will take a vote on it.

There has been a call to the question, so we will vote on that.

First of all, those in favor of the question please signify by saying aye; those opposed, no.

JOE ROBELLOTO, Albany, N.Y.: I request a standing vote rather than a voice vote.

ROBELLOTO: No, on the motion we have before us. Please call for a standing vote rather than a voice vote.

OTERO: Your point is well taken. We will be calling for a standing vote. All of those in favor of adoption of proposed amendment 4 as amended, would you please stand up.

(At this time, a standing vote was taken.)

Gentlemen, at this time we will ask for those who oppose to please stand.

(At this time, a standing vote was taken.)

I think we are going to have to recount it, so would those in favor please stand up again.

(At this time, a standing vote was taken.)

All those opposed please stand up.

(At this time, a standing vote was taken.)

Gentlemen, by your action, you have rejected proposed amendment 4.

For your information, the vote was 660 for and 403 against, but it takes two-thirds vote to change the amendment; therefore, the amendment was defeated. I recognize the speaker at the microphone. This is a point of order.

NELSON RAY, Baltimore, B.A.: I don't think we were counted and we were in favor of the amendment.

OTERO: I am going to accept the fact that people charged with making the count are correct. And the ruling of the proposed amendment 4 has been defeated.

MAC PHERSON: I would like to respectfully support the gentleman's contention there were those not counted because they were counted in mass.

OTERO: Just so that I can answer that point of order, the assembly does have power to do this.

The only one thing would be, I suggest, would be a written ballot. And if it is somebody's pleasure to make a motion, if we have a written ballot and it is seconded, then we can vote on that. Then we would like to move on to the next proposed amendment.

MC GUIRE: I don't know if this is out of order, but I would like at this time to propose an amendment that the dues be increased for 50¢ for the following season. I don't know if that is in order, but that is why I am asking.

OTERO: I am sorry —

LOWELL ROTHSCHILD, Tucson, Ariz.: In response to Mr. McGuire's question, he certainly can bring a matter before the house with the consent of the house and in view of the fact there is a majority already voting on the issue. It would be very difficult for Mr. McGuire to not get his request.

OTERO: It is a ruling of the Chair that while it would be possible to bring it up again in the form as suggested, it would require two-thirds of the delegates to agree to the debate of that particular proposal. So, in the absence, if anybody wants to make that motion that you entertain that motion to take a vote.

BOB SIMPSON, Citrus Belt, Calif., B.A.: I have listened to all the arguments and I would like to make a statement. This is a business — using the old axiom — either you grow or you die. We have been growing for two years, and with that in mind I would like to make a motion that we take a written vote.

OTERO: There is a motion made and because we haven't disposed of this other yet, the only motion at the floor right now is the motion that we take a written ballot.

ELWIN ISHAM, Burlington, Vt.: I second the motion.

OTERO: All right, it has been moved and seconded for a written ballot. This takes a majority vote. All in favor of a written ballot, signify by saying aye, those opposed, no. By your action you have defeated the motion.

DONAHUE: I first rose before the second of Mr. McGuire's motion, but I guess it was ruled out of order by the Chair. I would like then to make a motion in order to consider his motion that we move and see if we can get that ⅔ so we can get some increase today.

OTERO: There is a second.

CHUCK JULIAN, Los Angeles, Calif.: I second that motion.

OTERO: Mr. Julian has seconded that motion. What you have before you is a motion to allow the consideration of Mr. McGuire's proposal that would require a ⅔ vote. Those in favor signify by saying aye; those opposed signify by saying no.

MC GUIRE: Everything you said has been entered into the record and we repeat the main points of it. The Congress right now is spending more money.

The point here is if they continue to spend at this level, they will have no financial reserves to fall back on. The 50¢ increase in ABC national dues and the appropriate 50¢ increase in local, making the maximum dues of $6.

OTERO: Is there a second to that motion?

DONAHUE: I second the motion.

OTERO: You have a motion to amend Article 3 Section 6 effective Aug. 1, 1986, the ABC dues that will be $2.50. Association dues will be $3.50 for a total of $6.00. Do we have any discussion?

TOM DE CHALUS, Deer Park, N.Y.: We had a great deal of discussion with the delegates and I move for the question.

OTERO: Is there a second?

DONAHUE: I second Mr. De Chalus' motion.

OTERO: Now, what we are doing is voting whether to move the question. It takes a majority vote. All in favor please signify by saying aye; those opposed signify by saying no. Microphone 4 is saying a point of order.

MC GUIRE: My opinion on this, the question is that to move the question be seconded by the same man that seconded the original motion, I don't think that is in order.

OTERO: The Chair will rule that is in order. On the main motion which takes a two-thirds vote, basically increasing ABC dues 50¢ and local dues 50¢ for a maximum total of $6.00 all in favor please signify by saying aye; those opposed by a no. By your action, we will increase the ABC dues to 50¢ and up to 50¢ for local associations.

Proposed amendment 5. This proposal would change from 2,000 members to 1,500 members needed to be entitled to one delegate and one alternate to the ABC Convention. That proposal by the way was by Odell Hickman of the Dallas B.A.

The recommendation by the Board of Directors is for adoption. Do we have any discussion on proposed amendment 5?

There appearing to be none, all in favor of adoption please signify by saying aye' those opposed, no.

By your action, you have adopted proposed amendment 5.

Proposed amendment 6. This is an amendment which has been amended, so it is in your booklet of recommendations by the Board and it applies in substance that if dressing is used, it must meet ABC specifications and must be distributed from edge to edge for the entire predetermined distance down the lane. Following any application variance, the amount of dressing on the lane surface may not vary more than 2 units within any given 5⁵⁄₁₆ inch width (normally 5 boards) across the lane. A unit is defined as a measurement of dressing film thickness equivalent to .0167 cubic centimeters of dressing per square inch of lane surface as measured by an ABC approved lane dressing measuring device.

Is there any discussion on proposed amendment 6.

HERBERT BLOCKOWITZ, Westchester County N.Y. B.A.: I was going to give a dissertation of why and where the lane dressing should not go through; however, I will only say that with the amendment it puts 100% of burden on the lane dressing tape machine and it does not allow any personal feelings or personal analytical measurements to go into the lane dressing.

It should be the other way, it should support us and be a tool to us and not the only thing to use, not in the rule as it is written.

TOM MC KAY, Chairman of the Equipment Specification Committee: Basically, the information that will be on the form will call for a recommendation. They will take a smear and tactile test, a visual test. So there could possibly be some interpretations that could be given that the machine be based on the number of lanes. Hopefully, we will have supportive information based on how many games would have been bowled as to the amount of depletion that would have been on the lane. So to be supportive of the number of games that would have been bowled in that particular period.

THOMAS GREISE, Albany, N.Y.: I would like to speak in favor of this. It's obvious to anybody that's used the DBA Lane Analyzer that the new machine can provide the kind of support we need to get us out of the problems we have had with lane inspections in the past.

DON GATES, Syracuse, N.Y.: I would like to get clarification on a couple of items; number one, I know there were some problems with the additive and I'm wondering if you are 100% sure proprietors were sold.

Number two, are proprietors against using this device because they would like to have a rule that is better than the one we have now, which could make this machine unnecessary. If there is any real possibility that our rule could go down the pipeline and maybe in a year or two make this machine not needed.

OTERO: Since you have asked two of those questions, I will refer back to the Equipment Specifications Committee Chairman, Mr. McKay, to respond.

MC KAY: Yes, there were problems with the additive and they have been corrected. The additive has been reduced and the reader intensified to pick up a reduced amount of additive and this reduced the problems we have had before.

The second question that you had has to do with the limited distance dressing. There are ongoing tests determining this in cooperation with the BPAA, and there may or may not be resulting answers to that.

There is a strong possibility that the answer may be an optional situation with the individual because there are so many that feel that it is not the answer either and because of that you may have a dual situation. So, yes, the tape would be a mandatory item to be able to use.

WILLIAM HILL, Angola, Ind. B.A.: My question is, what is the reason or rationale behind the change from the proposed amendment of 2 units in 5 boards to 4½ units and 5 boards?

OTERO: With permission, I will ask Mr. McKay to respond.

MC KAY: Basically, the main difference was the difference of calibration in the specifications of the new reader. There is very little change in the actual differences.

BOB HENNESSY, Baltimore, Md.: It was my understanding that the gentleman on the microphone 7

moved to defer this amendment and there was no question asked if anybody would second that.

OTERO: Well, actually I didn't put it before him in motion. I wasn't sure what he wanted to do.

JERRY NEATHERTON, Sacramento, Calif.: I move or make a motion that we defer this amendment at this time for further study.

DONAHUE: I second the motion.

OTERO; Since the motion deferred is a provincial motion, any discussion on that motion?

MC KAY: I would like to speak in oppostion of the motion to defer. I feel very strongly that we are moving very fast toward a solution. There always are requests to allow the Board of Directors of the Congress to implement this upon the information that would be fully developed.

So upon development of this, we would like to implement this as soon as possible, because we feel it is not very far away.

OTERO: Any further discussion?

DONAHUE: Since the rule we have now in effect was adopted, each year I hear how about something new happening, but yet we are asked today to approve this because we are so anxious and biting at the bit. Since 1978 we've been trying to find a definite law on lane dressing and now we are going to jump on the bandwagon to approve it. I move to defer it for one year.

MC KAY: The additive problem, we hope, has been solved by the reduced ratio that the manufacturers have been required to put in the lane conditioner.

This project could take 6 months or a year to get the bugs out, but we feel it should be well worth the wait.

DONAHUE: I offer that I am in support of the motion for deferral.

DIRK WHEAT, Waterloo, Iowa: I travel a lot of areas throughout the state giving talks to the proprietors in my area plus a few other states around me. They support this new tape up device.

OTERO: Any further discussion? What you have before you is a motion to defer for further study. Majority vote, all in favor please signify by saying aye; those opposed by a no.

We are back to the other motion. The recommendation from the Board of Directors is for approval. The effective date of this amendment and the date of implementation shall be determined by the Board of Directors and that that is included in the Amendment 6 as amended. Is there any further discussion?

KEITH KLINGER, Mesa, Ariz.: I would like to go on the record as being opposed to this amendment. We can also see that there has been a change in the additive and also feel there are continuing problems with the dirt. And our proprietors are complaining and we also understand the proprietors are not in favor of this.

WALTON: I would like to call for a question, please.

OTERO: Seconded?

BILL BACON, Lubbock, Texas: I second the motion.

OTERO: It has been moved and seconded. All in favor for calling the question please signify by saying aye; those opposed by signifying with a no. By your action, you have called the question and now what we have is a motion for adoption as amended with effective date as I had indicated. All in favor please signify by saying aye; those opposed by a no.

By your action, you have adopted proposed amendment 6 with the effective date as previously indicated.

Now, what we are going to take is proposed amendment 16 because it deals with the same subject matter and that is on page 28 and 29.

That defines the procedures that we follow including the use of an ABC lane dressing takeup device when an award qualifying score has been bowled. You have been given the information in the amendment so it has the same effective dates as proposed amendment 6. That is, the effective date of this amendment shall be determined by the Board of Directors.

Is there any discussion with regard to proposed amendment 16. There appearing to be none, the recommendation by the Board is for adoption. All in favor signify by saying aye; those opposed, no.

By your action, you have adopted proposed amendment 16 as amended which deals with the effective date of implementation.

Proposed amendment 7 has been withdrawn. There should be an explanation in your recommendation book.

Proposed amendment 8 establishes the Planning Committee as a new standing committee and authorizes its members to establish review and revise jurisdictional areas for the officers and directors of the Congress, in addition to a proposal that revises the scope of the Nominating Committee which previously was responsible for the jurisdictional issue.

The recommendation of the Board of Directors is for adoption. Is there any discussion with proposed amendment 8? There appearing to be none, all in favor of the adoption of proposed amendment 8 please signify by saying aye; those opposed, no.

Elaine Rebatzke (right) explained the ABC/WIBC Certified Lane Inspector Workshop to bowlers attending the seminars during Convention week.

By your action, you have adopted proposed amendment 8.

Proposed amendment 9 eliminates the requirement that officers, directors, and life and honorary members be installed at the ABC meeting. The proposer is ABC Planning Committee.

The action of the board was to recommend adoption. Any discussion with regard to the proposed amendment 9? There appearing to be none, all in favor of the adoption of proposed amendment 9 please signify by saying aye; those opposed, no.

By your action, you have adopted proposed amendment 9.

Proposed amendment 10 would recognize summer league averages and establish procedures for associations to maintain such averages.

The recommendation of the Board of Directors was for adoption and the proposer was ABC Rule Committee. Any discussion with regard to proposed amendment 10?

RAY: I propose the following amendment. To delete the second paragraph in its entireity and substitute the following: For those leagues starting their schedule after March 15 of any season, the following provision is to apply: One, averages must be submitted by the league secretaries immediately upon completion of the league schedule. Two, such averages shall be considered the final averages and will be included in the next season's yearbook. As an example, I cite: Start schedule March 22, 1986 and to complete its schedule on August 13, 1986. Those averages submitted by the league secretaries would be included in the 1986-87 yearbook for alphabetical listing.

BOB LEVIN, Baltimore B.A.: I second the motion.

OTERO: It has been moved and seconded. The proposed amendment is complex enough that it will be referred to the Conference Committee. Would the proposer of the proposed amendment go out to the registration area and members of the Conference Committee join him. We will defer further action on proposed amendment 10 until we get a report from the Conference Committee.

We will now take proposed amendment 11.

That would permit the use of various colored pins and in competitions providing all pins on one lane are of the same color. The proposer was Rex M. Golobic, Colma, California.

The action and recommendation of the Board was for deferment. So the matter you have before you is the motion to defer.

Is there any discussion with regard to proposed amendment 11? All in favor to defer for further study, say aye; those opposed, no.

By your action, you have deferred for study proposed amendment 11.

Proposed amendment 12 allows leagues the option of establishing specific rules permitting the use of special equipment to assist in the delivery of bowling balls for players unable to execute the delivery. This was proposed by the ABC Rules Committee.

There was an amendment which appears in your book to delete a series in excess of 799 and insert "three game series in excess of 799" and insert series of 3 of that amendment to the amendment.

It was the recommendation of the Board of Directors for adoption. Is there any discussion with regard to proposed amendment 12, please signify by stating aye; those opposed signify by saying no. By your action, you have adopted proposed amendment 12.

Proposed amendment 13 provides that when the first count is not recorded, the bowler will receive zero for that delivery except in those instances where the first ball count is not needed to determine the accuracy of the score. The proposer is Bernard H. Haw of Palm Beach County, (Fla.) B.A.

The recommendation of the Board of Directors was for rejection.

BERNARD HAW: Mr. Chairman, I would like to submit an amendment to this amendment to read; the completion of the series. This is in response to concerns expressed by the Board of Directors.

OTERO: Would you go over that a little slower.

HAW: Unless appeal to the league Board of Directors prior to the completion of the series.

OTERO: The chair will accept that amendment as that not being sufficiently definitive and does not need to go to the Conference Committee. Is there a second to the motion? If anybody wishes to speak, would you please go to the microphone.

DAN CAPPA, Wayne County, Ind.: I second that motion.

OTERO: Is there any discussion on the amendment to proposed amendment 13?

ZEIDELL: I speak in opposition. Appealing to the Board of Directors before the completion of the series would compel the league to stop bowling, so a ruling could be obtained from the Board of Directors in order to complete the series.

OTERO; I have been advised that he means that to record your appeal prior to the completion of the series, but actual hearing would be heard after the vote.

ZEIDELL: It is not stated as such in the amendment. It's stated unless an appeal is made by the Board of Directors before the filing.

OTERO: Any further discussion on proposed amendment 13? The amendment as amended would have the the present rule to read as follows: If no number is recorded with exception of a spare in the first frame or a spare following a single strike, a zero number should be rewarded for that ball unless appeal to the league Board of Directors prior to completion of the series.

JIM HILLIKER, Woodland, Calif.: Mr. Chairman, I would like to raise a point here. I am not sure that I exactly understand the intent of the amended amendment.

OTERO: Any further discussion with regard to the amendment?

BILL MC KENNA, Springfield, Mo.: It says in the rule book that when you are bowling it is the bowler's responsibility to keep score. I think it should be voted down.

OTERO: Is there any further discussion before Mr. Haw has his opportunity to respond?

HAW: In response to the question, the reason for this rule is that currently in the ABC rule book it is not required to put your first ball count down.

This situation has occurred, and on appeal to ABC and it has said if no number is written down he must assume the score is accurate.

You cannot disqualify that score and you cannot adjust it. The reason for the amendment to this amendment is the concern raised by the Board of Directors.

If a bowler is not in accord with the score, it should be a zero because it is his responsibility to make sure this score is accurately correct.

OTERO: What you have before us is a majority vote and it would be adding that line that unless a bowler to the league appeals to the Board of Directors prior to the completion of the series.

All in favor of that amendment please signify and

say aye; those opposed, no. Now what you have before you is the recommendation of the Board of Directors for rejection. All in favor please signify by saying aye; those opposed, no.

By your action, you have rejected proposed amendment 13.

Proposed amendment 14. It specifies that a dead ball should be declared and that a player should be required to bowl on the correct lanes with only one bowler regardless of their position in the lineup and bowls in the wrong lane. The proposer is Charley Eichler, New York B.A.

The recommendation of the Board of Directors is for adoption. Is there any discussion on proposed amendment 14.

There appearing to be none, all in favor of the adoption of proposed amendment 14, please signify by saying aye; those opposed, no. By your action, you have adopted proposed amendment 14.

Proposed amendment 15. It would revise procedures under which provisional bowlers' balls are rolled. The proposer again is Charley Eichler.

The recommendation of the Board of Directors is for adoption. Is there any discussion with regard to proposed amendment 15?

There appearing to be none, all in favor of adoption of amendment 15 please signify by saying aye; those opposed, no.

By your action, you have adopted proposed amendment 15.

Proposed amendment 17. It establishes a Dutch 200 Game Award. The proposer is Joseph A. Antonacci, Diablo, Calif. B.A.

The recommendation of the Board of Directors is for adoption. Is there any discussion on proposed amendment 17?

BOB HAGEL, New York City B.A.: I am in favor except that I can see all kinds of phone calls saying we have a fellow from Holland here to get the Dutch 200. We had better define that it is a spare followed by a strike followed by a spare.

OTERO: Is there any further discussion on proposed amendment 17? Is there a motion to adopt the amendment?

GERALD TESSMAN, Maplewood, Minn.: If I understand you correctly, is what you want is a definition for those who are not in our game of tenpins?

OTERO: Any further discussion with regard to Amendment 17? There appearing to be none, all in favor of adoption of proposed amendment 17 please signify by saying aye; Those opposed, no.

By your action, you have adopted proposed amendment 17.

Proposed amendment 18 establishes 30 days for both summer and winter leagues for a sanctioning grace period. The proposer is the ABC Rules Committee.

The recommendation of the Board of Directors is for adoption. Is there any discussion with regard to proposed amendment 18?

There appearing to be none, all in favor of the adoption of proposed amendment 18 please signify by saying aye; those opposed, no.

By your action, you have adopted proposed amendment 18. We have previously disposed of proposed amendment 19.

We will be dealing with proposed amendment 20. That requires the forfeiture of games when two teams scheduled to bowl each other do not present legal lineups and have not been granted a postponement. The proposer was Charles Eichler.

The recommendation of the Board of Directors is adoption. Any discussion with regard to proposed amendment 20?

There appearing to be none, all in favor of adoption of proposed amendment number 20 please signify by saying aye; those opposed, no.

By your action, you have adopted proposed amendment 20.

Proposed amendment 21 provides that in the absence of a league rule, 120 is established as the absentee score when the absent bowler does not have an established average. The proposer is the ABC Rules Committee.

Following the word tenpins, page 34, if you will look at the section in the proposed amendment, please insert: With handicapped based on the member's current average and delete the comma following "average,"the league following average, line 3 following the words: Score of 120, please insert with handicap added.

I am assuming that is clear to all of you.

ALBERT SNITE, Philadelphia B.A.: We debated this last night and I am just confused as you are. May I suggest the following wording, which I think expresses the sentiment and is much clearer. After the words "established averages," state this: A score of 120 should be added to the team total and also be used for handicapping purposes.

And that continued the balance of the statement unless otherwise provided. I believe this is the intent of the rule.

OTERO: We would really appreciate it if you have some proposed amendment, if you would just give it to us ahead of time. We are just not that smart enough to think that quickly. I apologize for that.

So now we have to spend some time to figure out what you obviously had time to figure out. Do you have it written out?

If we can just not deal with proposed amendment 21 for a few minutes and go on with another amendment and have it all written out.

HILLIKER: A point of order. I don't believe you have a second for that motion.

OTERO: I know we didn't, but with this group I don't know if we will get one. But let's clear it up. Somebody want to second that?

HARRY DAVIS, Norfolk, Va. B.A.: I second it.

OTERO: Proposed amendment 22 specifies player's partial score should not be used and counted towards the bowler's average. The proposer is Don Adcock, Decatur, Ill. B.A.

The action for Board of Directors is for adoption. Any discussion with regards to amendment 22?

PERRY BROWN, New York City B.A.: I will move that we amend the proposed amendment 22 to simply add a sentence to the end of the first paragraph of Rule 106: Any incomplete game bowled by a tardy player shall not count towards his average unless the league rules specify otherwise.

I think that will remove the possibility of a misunderstanding.

OTERO: You have added another provision which expands the proposal. That gives it, unless the league specifies otherwise, I don't see that in either the amendment or the former rule. Am I correct in that?

BROWN: The first paragraph of Rule 106 says as it currently appears it states that his score shall count beginning with the frame bowled by the team if approved by the league.

The proposal would insert the words: But the score shall not count towards the bowler's average. So, it is my understanding that the intent of the proposal is to make conditional upon the league rules, the fact that this score shall not count to a bowler's average. The league could rule otherwise.

OTERO: Is there a second to that amendment?

A SPEAKER: I second it.

OTERO: As I understand it, in substituting the language which is proposed amendment 22, but keeping the same spirit of that amendment. The amendment would take the existing first paragraph of Rule 106.

When you get to the end of paragraph where it says "league period," you would add another sentence that says: Any incomplete game bowled by a tardy player shall not count towards his average unless the league rules specify otherwise.

Am I correct in that? Yes, that's the way I understand it. Is there any discussion with regard to this proposed amendment?

There appearing to be none, what you have before you and it requires only a majority vote, is the amendment to proposed amendment 22. All in favor please signify by saying aye; those opposed, no.

By your action, you have accepted the amendment to the proposed amendment 22.

And now you have proposed amendment 22. The recommendation is for adoption. All in favor of the adoption please signify by saying aye; those opposed, no.

By your action, you have adopted proposed amendment 22 as amended.

I am going to take a break and let Roger Tessman our secretary read to you prcposed amendment 21 as it has been proposed.

TESSMAN: This would be the last sentence of the proposal: When a team has an absent member without an established average, a score of 120 with handicap be added to the team total and shall also be used for handicap purposes and then complete unless otherwise provided under league rules.

OTERO: Now, what you have before you is the amendment to the proposed amendment 21. We need majority vote. All in favor of this amendment please signify by saying aye; those opposed, no.

By your action, you are adopting the amendment of proposed amendment 21.

Now, what you have before you is a recommendation by the Board of Directors for adoption of proposed amendment number 21 as amended. All in favor please signify by saying aye; those opposed, no.

By your action, you have adopted the proposed amendment 21 as amended.

We have taken care of 23 and 24 and now go to 25. It requires ABC issue sanction cards to even if the establishment is not certified. The proposer is Virgil F. Quattrocchi, Miami B.A.

The recommendation of the Board of Directors is for rejection.

BUZZ LOUIS, South Jersey B.A.: This particular amendment costs our association. Second, I even had long discussions with the office. Somebody in their wisdom can sit a long way away and not give a bowler's card. But I can't see handicapping 4,000 bowlers because five houses don't have their work done.

Putting this up in the house and notifying the leagues that's bowling if they shoot a high score is not going to be covered, but don't take my money and card and tell me to wait for a proprietor. Thank you.

ALBERT SNITE: If this delegation adopts the Board of Directors recommendation for rejection of this amendment, I think we put a bowler in a catch 22 situation. The bowler cannot take a card to another lane to verify he has paid his dues somewhere else.

PALUMBO: The Rules Committee wants to call to your attention that there are two rules that specifically require the lanes must be approved in order to be certified.

The lanes must be certified. We have a direct conflict when issuing cards. Now, if we are cognizant of the fact that bowlers have a card and they should get services and also aware that if a bowler is not, there is the possibility that lanes will not be proper and not be in accordance with specifications. That could mean a greater problem.

If we were to continue to allow this certification to be optional instead of mandatory and we could become exaggerated, but that is the Rules Department's position.

OTERO: Any further discussion with regard to proposed amendment 25? There appearing to be none, what you have before you is a recommendation of the Board of Directors for rejection. All in favor of rejection please signify by saying aye; those opposed, no.

By your action, you have rejected proposed amendment 25.

The Conference Committee has returned in regard to their meeting of proposed amendment 10.

RAY: I have withdrawn my proposed amendment. I have had a meeting with the Committee and my proposal would apply mainly to average in the time frame of the amendment in the following yearbook, and there could have been a lot of confusion as to which average to be taken in league or tournament.

So I withdraw the proposal.

OTERO: Going back to proposed amendment 10. Then it would recognize summer league averages and established procedures for associations to maintain such averages. The recommendation by the Board of Directors is for adoption.

Any discussion in regard to proposed amendment 10?

JOHN HALFERTY, San Diego, Calif.: Our Board of Directors considered this amendment very thoroughly and we honestly feel this amendment would create one of the worst cans of worms imaginable.

OTERO: In keeping with our policy, I see three microphones open. Anybody speaking in favor of the proposal please raise your hand.

PALUMBO: I would like to speak in behalf of the Rules Committee, seeing that there are no other members from my committee.

This is an important amendment, gentlemen. I am an association secretary, so I want to speak from our side as well. It is a pain in the neck, there is no question. However, we disenfranchising 300,000 bowlers who don't get an average.

JOHN SIMANELLA, Cleveland, B.A.: Our association agrees that we reject this amendment. We feel that, number one, summer leagues are generally on an individual basis and you are bowling a lot faster, as a result you are going to raise your averages that much higher to get a better score. Number two, you are going to use that as a crutch.

BROWN: I have a question that I would like to ask Mr. Palumbo as regarding to that proposal. It states that the leagues which begin their schedules on or after March 15th and extend beyond July 31, the averages shall be considered the final averages for the season and the schedule is completed. For example, the league ends its schedule on Aug. 31. I would like to know when we are likely to end verification for those averages. We don't have to until the yearbook is completed following that season being compiled.

PALUMBO: My understanding is that those averages would be verified as soon as the leagues were completed. And as an option, not necessarily put in the book for that season. If I am correct, I believe that is the way it works.

OTERO: The manager of the Rules Department, Mr. Jack Mordini, would you enlighten us a bit on that.

JACK MORDINI: Those averages would be obtained by the association and would be in the association's office. However, they would be considered just as current season averages would be considered and much as the same as the shorter winter season which ends in January. You would consider that as a current average and published in the next season's yearbook.

CHUCK JULIAN, Los Angeles, Calif.: All I have to say is I'm against it.

CLIFF LEEKER, St. Louis: There are quite a few tournaments that do not use summer averages. It is very easy have a big capital S behind the name of the average to indicate a summer average.

BILLY WILLIAMS, Detroit B.A.: As a proprietor, I am a proponent of using summer league averages.

I think it is about time you recognized that all bowlers are the same.

WILLIAM GOODLANDER, Harrisburg, Pa.: Our association is in favor of this rule. These guys pay in the summer the same amount as the winter league. It is not their fault some are only summer bowlers, but they deserve the same services. We are in favor.

OTERO: Any further discussion? There appearing to be none, what you have before you is a recommendation by the Board of Directors for adoption. All in favor of adoption please signify by saying aye; those opposed, no.

At this point, we will have to stand on this one. So all in favor please stand up and remain standing so that we don't get another question about the standing count.

All those opposed, please stand up.

Let's get on with what we have to do here with the legislative session. The next proposed amendment is proposed amendment 26. It defines the term pacer and establishes their eligibility for awards. The recommendation of the Board of Directors is for rejection and the proposer was the ABC Rules Committee.

Any discussion on proposed amendment 26? There appears to be none. What you have before you is a recommendation for rejection. All in favor of rejection please signify by saying aye; those opposed, no.

By your action, you have rejected proposed amendment 26.

We will take proposed amendment 29. The proposal defines pacers in tournament competition and establishes that pacers are not permitted unless authorized by tournament rules and establishes award eligibility.

We have an amendment on that one. It says to delete the following sentence: ABC members serving as pacers shall be eligible for all ABC awards. The last line following the word unless the tournament rules permit multiple participation.

And then as that amendment went in, recommendation from the Board of Directors was for adoption. Any discussion with regard to proposed amendment 29?

ED CHATTERTON, Rochester, N.Y.: My only concern is that pacers to me are a live body. We are generating in our association of approximately 60 40% mixed leagues now.

They have bodies along with them in the form of children. Let's get our Rules Committee to define pacer so we do not involve juniors in this situation. We have already this season in Rochester had to suspend a 12 year old boy for three weeks because his mother told him he had to bowl.

OTERO: Any further discussion? The recommendation after the amendments was for adoption. All in favor of adoption please signify by saying aye; those opposed, no.

Let's try standing on that one again. My explanation was that there were some amendments put in about the substance of the rule and that pacers would not get awards in tournaments.

I want you to understand what you are voting on. That's why we have had to have the amendments — would all those in favor please stand up.

(At this time, a standing vote was taken)

By your action, you have adopted proposed amendment 29.

We have the tally on amendment 10. The "yes" vote was 502; "no", 429. So by your action, you have rejected proposed amendment 10.

Proposed amendment 27. This is the requirement for local, state and provincial associations to sanction and conduct an annual championship tournament of the game of American tenpins.

The proposer is Milfred Seifrit, Alton, Ill. B.A. The recommendation of the Board of Directors was for rejection.

Do we have any discussion with regard to proposed amendment 27? There appearing to be none, all in favor of rejection please signify by saying aye; those opposed, no. By your action, you have rejected proposed amendment 27.

Proposed amendment 28 specifies that all YABA averages, youth and collegiate divisions, will be acceptable for entry in ABC sanctioned tournaments. The proposer is ABC Rules Committee.

The recommendation by the Board of Directors is for adoption. Do we have any discussion with regard to proposed amendment 28?

There appearing to be none, all in favor of adoption of proposed amendment 28 please signify by saying aye; those opposed, no. By your action, you have adopted proposed amendment 28.

The last amendment considered is amendment 31. It permits an individual to be eligible for nomination and election to state association office even though he does not reside in that state as long as he is a member of a local association which is served by that state association. The proposer is Donald Markley, Pennsylvania B.A.

The recommendation from the Board of Directors is for adoption. Do we have any discussion on proposed amendment 31? There appearing to be none, all in favor of adoption please signify by saying aye; those opposed, no. By your action, you have adopted proposed amendment 31.

Now, if you will bear with me we do have four resolutions. The first resolution is for a plan of merger basically, putting it in the simplest terms, making the American Bowling Congress, a Wisconsin corporation, where they have an office rather than an Illinois corporation. I will read it.

Pursuant to American Bowling Congress (ABC) the undersigned authorized delegates of the 1986 annual meeting of the ABC hereby submit and file that the ABC Executive Secretary, a proposed Agreement Plan of Merger set forth in the attached for consideration by the Board of Directors, and by the delegates in session with the directors at their annual meeting, held March 14th. In action of the resolution, this resolution involved an Agreement and Plan of Merger where the ABC, an Illinois corporation, will merge into ABC, a Wisconsin corporation.

By your action, it goes on to say: Be it hereby approved and adopted, which you haven't done yet. So all in favor of adoption of that resolution please signify by saying aye; those opposed, no. Now you have it. We have adopted it.

OTERO: The second resolution reads:

WHEREAS, the delegates at the 1977-78 Convention authorized the ABC Board of Directors to amend any provisions currently in the Rule Book with regard to the lane dressing procedures and to permit any such revision in dressing procedure to be put in force immediately, and

WHEREAS, research and testing involving conditioning of lanes is continuing,

BE IT RESOLVED, by the delegates in annual session on March 14, 1986, that if during the 1986-87 season tests demonstrate that revision in the lane dressing procedures are in order. The ABC Board of Directors shall be authorized to amend the rules governing such lane dressing procedures. The rules amended by the Board shall be put in force immediately.

BE IT FURTHER RESOLVED, that any such revision approved by the Board under the interim procedure shall be submitted to the delegates at the 1987 Convention for ratification by this body.

Respectfully submitted by the Equipment Specifications Committee

The recommendation by the Board of Directors is for adoption. Any discussion on this resolution? There appearing to be none, all in favor please signify by saying aye; those opposed, no.

By your action, you have adopted the resolution.

Now, we have a resolution:

WHEREAS, the Equipment Specifications Department and Test FAcility at Bowling Headquarters has implemented characteristics of bowling balls, including composition of materials and the practice of altering the surface of bowling balls, and

WHEREAS, preliminary findings have demonstrated the instrumentation developed to measure these properties does produce repeatable and significant data, and

WHEREAS, if such continuing tests determine that scoring is appreciably affected,

NOW, THEREFORE BE IT RESOLVED, by the delegates in annual session on March 14, 1986, that during the 1986-87 season the ABC Board of Directors shall be authorized to amend any specifications currently in effect or adopt new specifications related to the surface characteristics of bowling balls,

BE IT FURTHER RESOLVED, that any such revisions or additions approved by the Board of Directors under this interim procedure shall be submitted to the delegates at the 1987 convention for ratification by this body.

Respectfully submitted, by the Equipment Specifications Committee

The recommendation by the Board of Directors is for adoption. Any discussion with regard to this resolution? There appearing to be none, all in favor please signify by saying aye; those opposed, no.

By your action, you have adopted the resolution.

Now the following resolution:

WHEREAS, the Equipment Specifications Committee and the Test Facility Staff at Bowling Headquarters have been conducting a study on the coefficient of friction characteristics of bowling balls; and,

WHEREAS, while the data developed to date is insufficient to establish a meaningful correlation between coefficient of friction and scoreability, the data has established that altering the surface of the bowling ball by the use of abrasives will change its coefficient of friction; and,

WHEREAS, the data developed has established such alterations are done frequently; and, there is evidence that the material removed during bowling by such alteration has been found on the lanes, mixed with dressing; in the bowling area, as well as on the approaches; and carried into the machinery; all to the detriment of the bowler's playing environment.

Now, therefore, be it resolved that while research continues, altering the surface of a bowling ball by the use of abrasives, while bowling in sanctioned competition, is prohibited.

Respectfully submitted, by the Equipment Specifications Committee

The recommendation by the Board of Directors is for adoption. Are there any questions or any discussion?

A SPEAKER from San Antonio, Texas: Yes, sir. How do you propose to enforce this resolution? What's to prevent me from having something in my locker and to be using a scrub pad there?

OTERO: I am not going to answer that, but Mr. McKay who is Chairman of that committee may respond to that question.

MCKAY: As far as playing, once the sanctioned play would start the individual would not be allowed to use an abrasive substance on his bowling ball. Upon being seen doing it, the first time and once play is started, the individual would not be allowed. They would rule upon removal or for him to stop doing that.

If the individual did it again, he would then be subject to forfeiture of the game.

OTERO: This resolution is designed, as you will notice, to not deal with the score and it deals with the affect it is having on the playing environment.

Any further discussion?

It is recommended for adoption by the Board of Directors. All in favor please indicate by saying aye; those opposed, no. By your action, you have adopted the resolution.

Mr. President, I am pleased to say that this is the end of the legislative session.

MOHN: We still have two or three items to take care of and would like to call on Mr. Max Skelton.

SKELTON: RESOLUTION

WHEREAS, the delegates in annual session at the 1985 ABC Convention authorized an amount not to exceed $250,000 to be made available to the National Bowling Council for the 1986-87 fiscal year upon approval of the Board of Directors, and

WHEREAS, the American Bowling Congress, Women's International Bowling Congress, Bowling Proprietors' Association of America, AMF and Brunswick have each committed an equal amount for that season and annually to the National Bowling Council Promotion Fund, and

WHEREAS, this promotion fund has greatly enhanced the sport of bowling with the general public, and

WHEREAS, noticeable progress has been made in the game, and

WHEREAS, because of the necessity of long range planning which often requires the allocation of funds more than one year in advance,

NOW, THEREFORE, BE IT RESOLVED by the delegates in annual session at the 1986 ABC Convention that upon recommendation of the Finance and Budget Committee and approval by the ABC Board of Directors, an amount not to exceed $250,000 may be made available to the Council during the 1987-88 fiscal year, providing WIBC, BPAA and the two major manufacturers make equal contributions during that fiscal year.

Respectfully submitted, Finance and Budget Committee

I so move, Mr. President.

MOHN: For the 10th consecutive year, I would recognize Jerry Ludwig for a second.

JERRY LUDWIG, St. Louis: I second the motion.

MOHN: Any discussion? All in favor of the motion say aye; those opposed same sign. Carried.

Gentlemen, let me give you the election results. There were 1,094 total ballots cast; 16 were voided; there were 22 write-ins; 1,056 as nominated. So I declare Mr. Joseph Dahl elected.

Congratulations Joseph Dahl.

Gentlemen, is there any unfinished business? Mr. Secretary, do you have any unfinished business? Any new business I could recognize?

RAY ARNOLD, Jackson, Mich.: Mr. President, I would move that all the acts of the American Bowling Congress, its officers, directors, agents, and servants in the furtherence of the Congress business since our last annual meeting, be both approved and ratified.

TED JASKIE, Brown Deer, Wis.: I second that.

MOHN: Any discussion? All in favor of the motion say aye; those opposed same sign. Carried.

JERRY RICHARDS, St. Louis B.A.: I think right now one of the things that the Finance and Budget Committee should have learned from today's session the information on the dues increase it would have been given to us a month or a month and a half ago the delegates in our association could see what was coming around the stream.

I think it would have been easier to get any or even a few dollars approved.

Secondly, I think we owe a great round of applause for our gentleman from Eastern Long Island for getting something for the American Bowling Congress.

MOHN: Any others? Anyone else wish to be recognized? If not, I declare the meeting be adjourned.

(At 4:58 the Convention was concluded and adjourned.)

3.62 million members

Closer look shows ABC totals stable

The American Bowling Congress, with 3,624,575 members during the 1985-86 season, is the world's largest men's sports membership organization. That's a fact.

It's also a fact ABC had 32,353 fewer members than the previous season. However, looking deeper, ABC membership actually was stable.

There were 22.9 ABC members for each certified bowling lane during the '85-86 season, the same number as the previous season. The Congress certified 8,503 centers with 157,706 lanes during '85-86, decreases of 126 and 1,688, respectively. The membership count showed only a 0.9% decrease.

The trend toward larger bowling centers replacing the "mom and pop" neighborhood establishments of the past continued, although some large centers vanished because of variables such as the real estate values of areas where they were located.

ABC's membership figures differ from the "playing strength" figure which was used prior to the 1983-84 season to determine ABC membership. The current figure reflects the number of cards sold, while the previous figure indicated the number of men needed to fill men's and mixed leagues.

Once an ABC member, a man can bowl in as many leagues as he wishes without having to pay further national dues. Previously, if a man bowled in five leagues, he was counted five times. In 1985-86, ABC sanctioned 132,576 men's and mixed leagues with 1,466,743 teams. It took 4,239,859 men to fill those leagues.

"The playing strength figures publicized by ABC in past years have led to many misconceptions," said ABC Executive Secretary Roger Tessman. "There have been stories published that ABC has suffered major membership losses since the 1979-80 season when our playing strength was published at 4,799,195.

"The truth is that ABC never had 4.7 million members," Tessman continued. "We cannot even be certain that the 1979-80 season was our largest membership year. ABC membership figures do not necessarily reflect what is taking place in the industry. Proprietors can rightfully claim they have lost business, but ABC has suffered only a slight decrease because instead of some members bowling in two and three leagues, they might have cut back to one. But they are still members.

8. Texas	145,784	6,125
9. Florida	128,934	5,193
10. Indiana	121,500	3,839

"The realities of ABC's numbers in the past are that we can't be certain ABC ever had 4 million members," Tessman added. "Today, our figures are accurate and we have a method to know how many men are buying cards annually. Looking over past and present numbers, while ABC membership has dropped, the numbers aren't nearly as large as some have purported them to be. And with our new programming and progressive Board of Directors, we expect to start adding members rather than losing them in the future."

There was other good news as the nation's largest association, Detroit, increased its membership last season. It boasted 118,109 members during 1985-86, an increase of 260.

"I can directly attribute the increase to the members of my board who made league secretaries more aware of the need to continually submit the memberships of bowlers who join the league during the season," Detroit Bowling Assn. Secretary Tom McKay said. "Our house representative program always has been effective in sanctioning bowlers at the start of the season, but a year ago we implemented a program to make the secretaries more aware of the need to continue the sanctioning effort throughout the season."

Although there were no new associations among the top 25 locals, there was considerable shuffling. Four others showed an increase in size, the largest being Minneapolis which jumped 2,833 members to 34,907. This moved the association from 11th to seventh.

The Chicago Metropolitan, Eastern Long Island and the Nation's Capital associations remained in second through fourth places in size with 74,790, 43,083 and 39,316 members, respectively. Denver moved from seventh to fifth with 37,908 members, an increase of 1,153.

The Citrus Belt (Calif.) and Phoenix associations were the others in the top 25 which showed a membership increase.

In the race for the largest state, New York and California shared honors. New York had the most members with 305,023, while California was fourth with 266,529. However, California was the leader in the playing strength category with 382,691 players in 12,776 leagues, compared with 350,863 in New York's 10,321 leagues.

The top 10 states remained in the exact order as the 1984-85 season, but Florida was the only state in that group to show an increase. The ninth place Sunshine State showed 128,934 members, an increase of 2,440.

Canada totaled a record 52,524 ABC members during the season, an increase of 2,380 over 1984-85. It also showed a playing strength of 57,627, a increase of 2,016.

Mixed leagues most popular

The American Bowling Congress sanctioned 90,304 mixed leagues during the 1985-86 season, in addition to 38,692 all men's leagues and 3,580 senior leagues.

The total of 132,576 leagues represents a decrease of 1,307 from the 1984-85 season, but mixed leagues dipped only 206.

As usual, five player teams were the most prevalent among men's leagues with 28,135 sanctioned. There were 5,992 four man leagues, 3,648 three man leagues, 625 doubles leagues and 270 singles leagues.

The most popular mixed league combination was two men and two women with 61,949 of these sanctioned. There were 17,071 with three men per team, 7,613 with one man, 2,326 with four men and 1,324 with five men.

ABC rewards 12,293 for honor scores

During the 1985-86 season, the American Bowling Congress gave out 12,293 honor score awards, more than half of them for 300 games.

There were 6,467 perfect games approved by the Congress during the past season. In addition, 1,158 800 series were approved, 3,066 299 games and 1,602 298s.

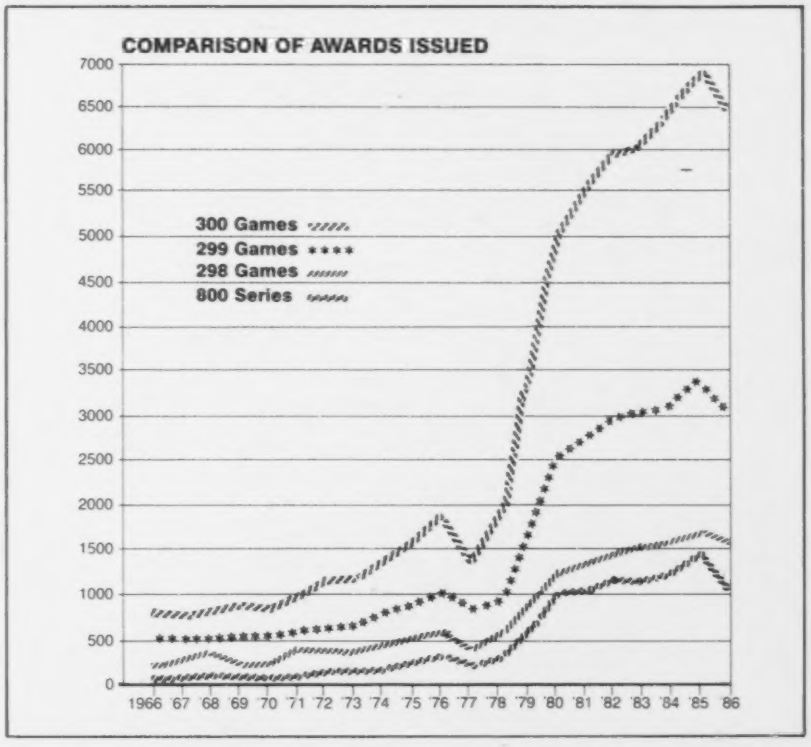
There were 5,207 11 in a row and 52,604 700 awards, which are not considered in the honor score categories. During a season, ABC distributes more than 1 million awards.

Of the 300 shooters, 5,201 ordered the ring as their recognition, with 1,127 choosing to purchase the gold ring. Another 574 selected the watch, 175 the clock and 70 the desk set as their recognition. Because only one award is presented seasonally for all honor scores, this means there were 447 "duplicate" 300s during the season.

The amount of 300 games averaged out to an estimated one in every 65,561 games bowled by ABC members. To arrive at that figure, it is estimated 100 games (90 in league, 10 in tournaments) are bowled during the season by ABC's playing strength (4,239,859). That figure is then divided by the amount of approved 300 games.

During the 1984-85 season, the ratio was one for every 61,563 games bowled. As a further comparison, the ratio for the 1976-77 season was one for every 333,342 games bowled.

Although the amount of honor score awards have decreased from last season, the totals are up considerably from nine seasons ago.



In the 1976-77 season there were 1,375 300s, 882 299s, 419 298s, 197 800s, 24,275 700s and 1,675 11 in a row.

As for the other awards, the Century Club for a game 100 pins over average was earned more than any other with 35,614 issued. There were 30,692 Triplicate awards for three identical games and 30,687 150 Over Series awards for series 150 pins or more above average. 15,613 All Spare game awards were issued, while 3,797 Big Four splits (4-6-7-10) were converted and 3,694 7-10 splits were converted.

For the seniors awards, 5,441 were issued for games 75 pins over average and 2,784 others were issued for series 125 pins over average.

The Award of Merit, for an association's top game and series, was presented to 2,064 individuals. Honor scores are not eligible for this award.

ABC issued more than a million awards to its members during the 1985-86 season ranging from chevrons to 300 rings. Also pictured are some of the supplies ABC distributes to members.

FINANCIAL REPORT 1985-86

To the Board of Directors of
American Bowling Congress:

We have examined the balance sheets of AMERICAN BOWLING CONGRESS (an Illinois corporation without capital stock and not-for-profit) as of July 31, 1986 and 1985, and the related statements of income and expenses and changes in fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The summarized financial data for Bowlers' Building Corporation (BBC) contained in Note 2d are based on the financial statements of BBC which were examined by other auditors. Their report has been furnished to us, and our opinion, insofar as it relates to the data in Note 2d, is based solely on the report of the other auditors.

In our opinion, based on our examinations and the report of other auditors refered to above, the financial statements referred to above present fairly the financial position of American Bowling Congress as of July 31, 1986 and 1985, and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

Our examinations were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary schedules (Exhibits I and II) are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in our examination of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Arthur Andersen & Co.

Milwaukee, Wisconsin,
September 5, 1986.

(The accompanying notes to financial statements are an integral part of these statements.)

Notes to Financial Statements

1. Corporate Organization

The American Bowling Congress (ABC) is a service oriented sports organization formed to adopt and enforce uniform playing rules and conditions for the sport of American Tenpins. It provides programs and services to its membership for their participation in organized bowling and encourages the creation and development of events for amateurs. The goal of ABC is to promote, foster the integrity of, and enhance the enjoyment of tenpin bowling.

2. Summary of Significant Accounting Policies

(a) Method of accounting —
The books of account of ABC are maintained on the accrual basis, except for certain membership dues. Certain expense amounts for 1985 have been reclassified to conform with the 1986 presentation.

(b) Property and equipment —
The cost of property and equipment acquired is depreciated using the straight-line method of depreciation. Tournament equipment is depreciated over an eight-year life and office furniture and equipment over five to 10 years.

(c) Membership dues recognition —
Membership dues are recognized when remitted, the majority of which are received during the first eight months of the fiscal year.

(d) Investment in Bowlers' Building Corporation —
ABC's investment in Bowlers' Building Corporation (BBC) is accounted for using the equity method. BBC holds title to the land and building utilized by ABC as its national headquarters. Summarized financial information for BBC for fiscal 1986 and 1985 is shown below:

	As of July 31, 1986	As of July 31, 1985
Cash	$ 1,678	$ 899
Receivables	—	20,000
Prepaid expenses	417	228
Property and equipment (less accumulated depreciation)	3,936,140	4,030,831
Total assets	$3,938,235	$4,051,958
Accounts payable	$16,079	$26,446
Real estate tax accrual	119,250	119,250
Equity —		
American Bowling Congress	1,901,453	1,953,131
Women's International Bowling Congress	1,901,453	1,953,131
Total liabilities and equity	$3,938,235	$4,051,958

	Year ended July 31, 1986	Year ended July 31, 1985
Operating expenses	$656,105	$628,104

(e) Magazine revenue and advertising —
Magazine revenue and advertising includes an allocation of membership dues and certification fees, respectively, of $220,936 and $16,165 in 1986, and $223,682 and $16,544 in 1985. This revenue relates to magazine subscriptions issued to each ABC league and certified bowling establishment and is based on one-half of the full subscription price.

(f) Fund balance —
The fund balance is composed of two separate funds, the operating and the tournament, detailed below:

	Operating	Tournament	Total
Balance, July 31, 1984	$7,809,017	$428,185	$8,237,202
Net income	422,898	117,204	540,102
Balance, July 31, 1985	8,231,915	545,389	8,777,304
Net income (loss)	(1,220,266)	253,753	(966,513)
Balance, July 31, 1986	$7,011,649	$799,142	$7,810,791

The Finance and Budget committee of ABC designates portions of the operating fund for specific purposes. At July 31, 1986, the operating fund consists of the following:

Designated funds —	
Education program development and delivery	$ 200,000
International bowling activities	200,000
	400,000
Fund balance not designated	6,611,649
	$7,011,649

(g) Investments —
Investments are stated at cost which approximates market. Summarized investment data is shown below:

	As of July 31, 1986	As of July 31, 1985
Operating fund	$3,625,065	$4,864,548
Tournament reservations deposits	550,000	950,789
Restricted for tournament equipment replacement and other tournament activities	1,058,929	640,000
Accrued interest receivable	20,015	268,848
	$5,254,009	$6,724,185

Reservation money is collected for the next year's National Tournament. Amounts received and any interest earned are both deferred as the funds are to be used exclusively for next year's tournament.

3. Income Tax Status

The Internal Revenue Service has issued a determination letter dated June 4, 1985, granting ABC an exemption from Federal income taxes under IRS Code Section 501(c)(3). ABC also is exempt from State of Wisconsin and State of Illinois income taxes.

4. Pension Plan

ABC employees are covered under the ABC Retirement Plan. Prior to 1986, ABC's policy was to fund pension costs accrued. Beginning in 1986, ABC's policy was to fund the minimum required contribution as determined by the actuary. The total pension expense was $221,247 and $202,252, of which $26,550 and $30,198 was charged to the Young American Bowling Alliance, Inc. in fiscal 1986 and 1985, respectively. A summary of selected plan information as of Oct. 1, 1985, the date of the latest actuarial valuation, is set forth below:

Present value of accumulated plan benefits:	
Vested	$3,345,194
Nonvested	135,608
Total	$3,480,802
Net assets available for benefits	$5,013,315
Actuarial cost method	Frozen Entry Age
Investment return assumed	8%

Under the provisions of Statements of Financial Accounting Standards Nos. 35 and 36, the actuarial present value of accumulated plan benefits reflects employee salaries earned to date and does not consider the impact of future salary increases from inflation or otherwise. Plan assets exceed the above-described actuarially computed present value of accumulated plan benefits primarily because ABC's funding policy, in accordance with the recommendations of ABC's actuary and commonly recognized funding techniques, considers such future salary increases.

5. National Bowling Hall of Fame and Museum, Inc.

On March 27, 1981 during the ABC National Convention, the delegates approved and ratified a resolution stating that the ABC, along with the WIBC, would guarantee the continuation of the National Bowling Hall of Fame and Museum, Inc. (NBHF/M) operations for a period of 10 years and guarantee any borrowings under a line of credit. In 1982, the Bowling Redevelopment Corporation (BRC), a fully owned subsidiary of NBHF/M, entered into a construction loan agreement with Centerre Bank of St. Louis, making available a $2.5 million line of credit. During 1984, the line was increased to $3 million. These funds were used to construct the National Bowling Hall of Fame and Museum, which became operational in 1984. In January, 1986 the BRC was dissolved, leaving NBHF/M the sole corporation owning the previously constructed building. During 1986, prior borrowings were repaid by additional ABC and WIBC advances and the line of credit terminated.

The notes receivable from the NBHF/M are interest-free and have a due date of July 31, 1987, unless extended by ABC. Management's intent is to not call for payment at the due date of the notes, unless NBHF/M has the financial ability to repay. Formal extension of the notes is planned. Since collection is not anticipated at this time, the notes have been fully reserved for by charges to expense of $1,119,500 and $128,000 in 1986 and 1985, respectively.

Under the aforementioned indemnification, the fiscal 1987 budget of NBHF/M indicates that an additional loan by ABC of approximately $94,000 will be required to help finance its operations for that year.

6. Note Receivable from Young American Bowling Alliance, Inc.

The note receivable from the Young American Bowling Alliance, Inc. is interest-free and had a due date of Aug. 1, 1986, which was subsequently extended to Aug. 1, 1987. It is management's intent to not call for payment on the note, and formal committee action extending payment terms is planned. Since collection of the note is not anticipated at this time, the note has been fully reserved.

7. Line of Credit

ABC has a bank line of credit arrangement in the amount of $500,000. There are no compensating balance arrangements. There were no borrowings under this line at July 31, 1986, or during the two years then ended.

Exhibit I

Schedule of functional expenses for the year ended July 31, 1986, together with comparative totals for the year ended July 31, 1985
